# Safety Instructions for TYPE S MATCH BUSHING NECK DIE SETS

## Introduction

Thank you for choosing the TYPE S MATCH BUSHING NECK DIE SET for your reloading needs. This product is designed to enhance your reloading experience while ensuring safety and efficiency. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Always use the product in a wellventilated area to avoid inhalation of any fumes or dust.
- Keep the die set out of reach of children and unauthorized users.
- Inspect the product for any damage before use. Do not use if damaged.
- Follow all local laws and regulations regarding ammunition reloading.
- Store the die set in a cool, dry place when not in use.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Wear appropriate safety gear, including safety glasses and gloves, when operating the die set.
- Ensure that your workspace is clean and organized to prevent accidents.
- Do not exceed the recommended load specifications for the 260 Remington Imp cartridge.
- Always doublecheck measurements before making any adjustments to the dies.
- Use the die set only for its intended purpose, which is to reload 260 Remington Imp cartridges.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the die set from its packaging and inspect it for any visible damage.
- Securely attach the Type S Bushing Neck Sizing Die to your reloading press.
- Install the Body Die and Competition Seating Die in the same manner.
- Ensure that all dies are tightened properly to avoid movement during operation.

### 2. Usage:

- Begin with the Type S Bushing Neck Sizing Die to size your brass cases. Adjust the bushing as needed for desired neck tension.
- Follow with the Body Die to ensure proper fit of the case in the chamber.
- Use the Competition Seating Die for precise bullet seating. Adjust the die to achieve the desired overall length of the cartridge.
- Always perform a visual inspection of each cartridge after reloading to ensure safety and quality.

## Disposal Instructions

- Dispose of any unused or damaged components of the die set in accordance with local regulations.
- Do not dispose of metal parts in regular household waste. Check for local recycling options for metal materials.
- Ensure that all hazardous materials are disposed of properly to prevent environmental contamination.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the TYPE S MATCH BUSHING NECK DIE SET, please refer to the contact information provided on the packaging or the manufacturer's website.

By following these safety instructions, you can ensure a safe and enjoyable reloading experience with the TYPE S MATCH BUSHING NECK DIE SET. Thank you for prioritizing safety in your reloading activities.
