

# ROD GUIDE AND CLEANING LINK FOR AR-15 - AR-15 ROD GUIDE & CLEANING LINK KIT

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Tools](#)

This kit is a must have for cleaning your AR-15. The Link separates the upper and lower assemblies, but holds them securely to allow easy breech access for bore cleaning using an included Sinclair Rod Guide. Made of Delrin and stainless steel, it is virtually impervious to solvents. The Cleaning Link uses the rear locking pin and rear locking pin hole and installs in seconds. This kit includes both a rod guide and cleaning link.

# Safety Instruction Guide for ROD GUIDE AND CLEANING LINK FOR AR15

## Introduction

Thank you for choosing the ROD GUIDE AND CLEANING LINK FOR AR15. This kit is essential for effective cleaning and maintenance of your AR15 firearm. It is designed to ensure safe and efficient use while providing you with the necessary tools for proper bore cleaning.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the firearm is pointed in a safe direction at all times during cleaning.
- Keep the cleaning kit out of reach of children and unauthorized users.
- Use the cleaning kit only for its intended purpose.
- Be aware of your surroundings and ensure you are in a safe environment when cleaning your firearm.
- Regularly inspect the cleaning kit for any signs of wear or damage before use.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - The cleaning link may create a pinch point when separating the upper and lower assemblies.
  - Use caution to avoid injury during installation and removal.
- **Avoiding Hazards:**
  - Ensure your firearm is completely unloaded before using the cleaning kit.
  - Do not force any components during installation; if resistance is felt, reassess the alignment.
  - Use appropriate protective eyewear when cleaning to prevent debris from entering your eyes.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded.
- Gather all necessary components: the rod guide and cleaning link.

### 2. Installation of the Cleaning Link:

- Locate the rear locking pin on the firearm.
- Align the cleaning link with the rear locking pin hole.
- Push the cleaning link into place until it is securely locked.

### 3. Using the Sinclair Rod Guide:

- Insert the Sinclair Rod Guide into the bore of the firearm.
- Ensure it is properly seated to allow for effective cleaning.
- Use a cleaning rod to clean the bore as needed.

### 4. PostCleaning:

- Remove the Sinclair Rod Guide and cleaning link after use.
- Store the cleaning kit in a safe location away from children.

## **Disposal Instructions**

- Dispose of any damaged or worn components of the cleaning kit in accordance with local regulations.
- Do not dispose of the kit in regular household waste. Check for local recycling programs that accept plastic and metal components.

## **Contact Information for Further Support**

For any inquiries regarding safety or product use, please refer to the contact information provided with your product packaging or on the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your ROD GUIDE AND CLEANING LINK FOR AR15. Always prioritize safety and proper handling of your firearm and cleaning tools.
