

# STAINLESS STEEL CASE TRIMMER KIT - SINCLAIR/L.E. WILSON TRIMMER WITH STAND & SHARKFIN CLAMP, STAINLESS

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Case Trimmers](#)

L.E. Wilson Case Trimmer and Sinclair Mounting Stand with “SharkFin” Case Holder Clamp (order case holders separately.) This mounting stand and clamping attachment make case trimming much quicker and comfortable. The mounting stand can be C-clamped or permanently mounted to a bench top. The “SharkFin” Case Holder Clamp swings quickly into place and provides downward pressure on the case holder while trimming.

# Safety Instruction Guide for Stainless Steel Case Trimmer Kit

## Introduction

Thank you for purchasing the Stainless Steel Case Trimmer Kit by Sinclair/L.E. Wilson. This guide provides essential safety instructions and information to ensure the safe and effective use of your case trimmer. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is trimming cases.
- Always follow the manufacturer's instructions for setup and operation.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use. Do not use if damaged.
- Use personal protective equipment (PPE) such as safety glasses and gloves when operating the trimmer.
- Be aware of your surroundings while using the product to prevent accidents.

## Specific Safety Precautions for Use

- **Sharp Edges:** The cutting blade is sharp. Handle with care to avoid cuts.
- **Stability:** Ensure that the trimmer is securely mounted to a stable surface to prevent tipping or slipping during use.
- **Clamping Mechanism:** When using the SharkFin Case Holder Clamp, make sure it is securely fastened before trimming.
- **Avoid Distractions:** Do not operate the trimmer while distracted or under the influence of substances that impair judgment.
- **Children:** This product is not a toy. Keep it away from children and do not allow them to operate it.
- **Maintenance:** Regularly check and maintain the trimmer to ensure it operates safely and effectively.

## Instructions for Installation and Usage

### Installation

1. **Choose a Location:** Select a stable, flat surface for mounting the trimmer.
2. **Mounting the Stand:**
  - Use the Cclamp to secure the mounting stand to the workbench or table.
  - Alternatively, you may permanently mount the stand using screws (not included).
3. **Attach the Case Holder Clamp:**
  - Position the SharkFin Case Holder Clamp on the stand.
  - Ensure it swings into place and is securely fastened.

### Usage

1. **Prepare the Cases:** Ensure that the cases to be trimmed are clean and free of debris.
2. **Insert the Case:** Place the case into the SharkFin Case Holder Clamp.
3. **Adjust the Clamp:** Swing the clamp down to apply downward pressure on the case holder.
4. **Trim the Case:** Use the trimmer handle to cut the case to the desired length.
5. **Remove the Case:** Once trimmed, carefully release the clamp and remove the case.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.

- Do not dispose of the product in household waste. Check for recycling options in your area.
- Ensure that any sharp parts are safely disposed of to prevent injury.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding the Stainless Steel Case Trimmer Kit, please reach out to the designated EU contact point provided by the manufacturer.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your Stainless Steel Case Trimmer Kit. Always prioritize safety and do not hesitate to report any unsafe conditions or accidents to the appropriate authorities. Thank you for your attention to safety, and enjoy using your new product!
