Safety Instruction Guide for AP Powder Thru Expanders (PTX) 45 Caliber

Introduction

Thank you for choosing the AP Powder Thru Expanders (PTX) 45 Caliber (0.4510.452"). This product is designed to enhance your experience with the Hornady LockNLoad Auto Progressive Press (AP). To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always follow the manufacturer's instructions for use and maintenance.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the expander is compatible with your specific press model before use.
- Use protective eyewear and gloves when handling the product to avoid injury.
- Do not exceed the recommended load limits specified in the product manual.
- Avoid using the expander in wet or damp conditions to prevent electrical hazards.
- Store the expander in a cool, dry place to maintain its integrity and performance.

Instructions for Installation and Usage

1. Installation:

- Unpack the AP Powder Thru Expander from its packaging.
- Inspect the expander for any visible damage.
- Securely attach the expander to the Hornady LockNLoad Auto Progressive Press (AP) following the manufacturer's instructions.
- Ensure that all connections are tight and secure before use.

2. Usage:

- Adjust the expander to the desired setting according to your specific reloading needs.
- Carefully load the cartridges into the press, ensuring proper alignment.
- Operate the press according to the manufacturer's instructions, maintaining a steady and controlled pace.
- Monitor the process closely for any irregularities or malfunctions.

Disposal Instructions

- Dispose of the product in accordance with local regulations for nonhazardous waste.
- Do not dispose of the product in water sources or general waste.
- If the product is damaged or no longer functional, consider recycling parts where applicable.

Contact Information for Further Support

For any questions or concerns regarding the AP Powder Thru Expanders (PTX) 45 Caliber, please refer to the

manufacturer's official contact points for assistance.

Thank you for prioritizing safety while using the AP Powder Thru Expanders. Your adherence to these guidelines ensures a safe and enjoyable reloading experience.
