

LRX® 7MM (.284") POLYMER TIP BOAT TAIL RIFLE BULLETS - BARNES BULLETS LRX 7MM (0.284") POLYMER TIPPED BOAT TAIL 145GR 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Long-range hunting just got easier with the Long-Range X Bullet® (LRX) line. No lead, just 100% copper bullets designed after the Tipped Triple Shock™ X Bullet®. Features larger ogive and boat tail lengths to increase the B.C. values for improved long-range ballistic performance. The polymer tip starts the bullet expansion, opening the nose cavity instantly on contact, which doubles the bullet's original diameter. Four cutting petals guarantee extensive internal damage for a clean, quick kill.

Attributes

- Name: [BARNES BULLETS LRX 7MM \(0.284"\) POLYMER TIPPED BOAT TAIL 145GR 50/BOX](#)
- Manufacturer: [BARNES BULLETS](#)

Safety Instruction Guide for LRX® 7MM (.284") Polymer Tip Boat Tail Rifle Bullets

Introduction

Thank you for choosing the LRX® 7MM (.284") Polymer Tip Boat Tail Rifle Bullets. This guide provides important safety information and instructions to ensure safe handling, usage, and disposal of this product. It is crucial to follow these guidelines to minimize risks and ensure compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that you are familiar with the safe handling and usage of firearms and ammunition before using this product.
- Always store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized users.
- Inspect the ammunition for any signs of damage or defects before use. Do not use damaged bullets.
- Follow all local laws and regulations regarding the use and storage of ammunition.
- In case of an incident or accident, report it to the relevant authorities.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Ensure that your firearm is in good working condition and is compatible with the LRX® 7MM bullets.
- Do not exceed the recommended load specifications provided by your firearm manufacturer.
- Avoid using ammunition in firearms that are not designed for that specific caliber.
- Be aware of your surroundings and ensure a clear and safe shooting area.
- Never point a firearm at anything you do not intend to shoot.
- Always treat every firearm as if it is loaded.

Instructions for Installation and Usage

- Before loading, ensure that the firearm is pointed in a safe direction and that the safety is engaged.
- Carefully load the LRX® 7MM bullets into the magazine or chamber according to the manufacturer's instructions for your specific firearm.
- When ready to shoot, disengage the safety and take aim at your target.
- After firing, check for any obstructions in the barrel before loading the next round.
- After use, clean your firearm according to the manufacturer's instructions to maintain its performance and safety.

Disposal Instructions

- Dispose of any unused or expired ammunition in accordance with local regulations.
- Do not throw ammunition in regular household waste.
- Contact your local waste management authority for information on proper disposal methods.

Contact Information for Further Support

For any questions, concerns, or safety inquiries regarding the LRX® 7MM (.284") Polymer Tip Boat Tail Rifle Bullets, please refer to the contact information provided on the packaging or visit the manufacturer's website for further assistance.

Conclusion

By adhering to these safety guidelines and instructions, you can help ensure a safe and enjoyable experience with your LRX® 7MM (.284") Polymer Tip Boat Tail Rifle Bullets. Always prioritize safety and be responsible in your usage. Thank you for your attention to these important safety measures.
