

COMPETITION SHELLHOLDER SETS - REDDING #35 COMPETITION SHELLHOLDER SET

[Reloading](#) > [Shellholders & Shellplates](#)

Redding's five piece shellholder set is designed so you can adjust your headspace by selecting the appropriate thickness Redding shellholder. The five shellholders are $+.002"$, $+.004"$, $+.006"$, $+.008"$, and $+.010"$ thicker than normal shellholders ($.125"$ from the bottom of the case head cut to the top of the shellholder). Each shellholder is clearly marked and has a black oxide finish to distinguish them from normal shellholders. Comes packaged in a 6 position storage box leaving an empty space for your regular shellholder. View Redding Shellholder Chart.

Consumer Safety Instruction Guide for Redding #35 Competition Shellholder Set

Introduction

Thank you for choosing the Redding #35 Competition Shellholder Set. This guide provides important safety information to ensure the proper and safe use of your shellholder set. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as specified in the product description.
- Store the shellholder set in a safe place, out of reach of children and pets.
- Regularly inspect the shellholders for any signs of damage or wear before use.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as safety glasses, when using the shellholder set.
- Do not exceed the recommended thickness when selecting a shellholder to avoid potential firearm malfunctions.
- Ensure that the shellholder is securely attached to the reloading equipment before use.
- Do not attempt to modify or repair the shellholders as this may compromise safety.

Instructions for Installation and Usage

1. Selecting the Shellholder:

- Choose the appropriate shellholder thickness based on your headspace requirements. Available thicknesses are +.002", +.004", +.006", +.008", and +.010".

2. Installation:

- Align the selected shellholder with the reloading equipment.
- Ensure it is seated properly and securely before proceeding.

3. Usage:

- Follow the manufacturer's instructions for your specific reloading equipment.
- Monitor the reloading process closely for any irregularities.
- After use, clean the shellholder to maintain its performance and longevity.

4. Storage:

- Store the shellholder set in the provided 6 position storage box to prevent damage.
- Leave an empty space for your regular shellholder to ensure easy access.

Disposal Instructions

- Dispose of any damaged or worn shellholders in accordance with local regulations.
- Do not dispose of the shellholders in regular household waste. Check for recycling programs or hazardous waste disposal options in your area.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please refer to the manufacturer's contact information provided with the product.

Thank you for your attention to these safety guidelines. Enjoy using your Redding #35 Competition Shellholder Set responsibly and safely.
