# Safety Instruction Guide for 3855 Winchester Brass

## Introduction

Thank you for choosing Starline Brass, the maker of America's finest straight wall brass. This guide provides essential safety instructions to ensure the safe use and handling of the 3855 Winchester Brass. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that all safety precautions are followed during handling and usage.
- Store brass in a cool, dry place away from direct sunlight and moisture.
- Keep out of reach of children and vulnerable individuals.
- Regularly check for any updates or recalls related to this product on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always wear safety glasses and appropriate protective gear when handling brass.
- Inspect the brass for any signs of damage or defects before use.
- Do not exceed the recommended load specifications for the 3855 Winchester cartridge.
- Use only compatible firearms and ammunition to avoid malfunctions or accidents.
- Do not attempt to modify or alter the brass in any way.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your workspace is clean and free from distractions.
- Gather all necessary tools and materials for loading and using the brass.

### 2. Loading the Brass:

- Carefully inspect each piece of brass for defects.
- Clean the brass if necessary, using a suitable brass cleaner.
- Follow the manufacturer's guidelines for loading the brass into your firearm.
- Ensure that the brass is seated correctly and securely in the chamber.

### 3. Using the Brass:

- Load the firearm in a safe environment, following all safety protocols.
- Always point the firearm in a safe direction when loading and unloading.
- Fire the brass only in accordance with the firearm's specifications and guidelines.
- After use, allow the firearm to cool down before handling.

### 4. PostUsage:

- Clean the brass after use to maintain its quality and longevity.
- Store the brass appropriately to prevent damage and ensure safety.

## **Disposal Instructions**

- Dispose of any damaged or unusable brass in accordance with local regulations.
- Do not discard brass in regular household waste.
- Check with local recycling centers for proper disposal methods for brass.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the 3855 Winchester Brass, please reach out to your local distributor or retailer for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Starline Brass products. Thank you for your attention to safety.
