

LOCK-N-LOAD CASE PREP TRIO - LARGE PRIMER CLEANER HEAD

[Reloading](#) > [Case Preparation](#) > [Primer Pocket Tools](#) > [Reamers & Swagers](#)

The Case Prep Trio is one of Hornady's latest innovations to help you reduce the time spent preparing your brass, so you can spend more time at the range. This durable, three-in-one tool has a high-torque, low-speed motor powering separate tools to chamfer, deburr, and clean primer pockets at one, easy-to-use station. Inside and outside chamfer and deburring tools are provided, along with additional storage for pocket reamers, case neck brushes, or any other 8-32 thread tools (sold separately).

LOCKNLOAD CASE PREP TRIO LARGE PRIMER CLEANER HEAD Safety Instructions

Introduction

Thank you for choosing the LOCKNLOAD CASE PREP TRIO LARGE PRIMER CLEANER HEAD by Hornady. This innovative tool is designed to enhance your reloading experience by efficiently preparing your brass. To ensure your safety and the proper functioning of the product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use the product according to the manufacturer's instructions.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the product before use for any signs of damage or wear.
- Do not use the product in wet or damp conditions.
- Ensure proper ventilation when using the product, especially if using it for extended periods.
- Disconnect the power supply when not in use or during maintenance.

Specific Safety Precautions for Use

- Use only the recommended power supply (110V or 220V).
- Do not overload the tool; follow the specifications provided by the manufacturer.
- Avoid wearing loose clothing or jewelry that may become entangled in the tool.
- Always secure the tool on a stable surface before operation.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, while operating the tool.
- Do not attempt to modify or repair the tool yourself; contact a qualified technician for any repairs.

Instructions for Installation and Usage

1. Installation

- Ensure the work area is clean and dry.
- Place the tool on a stable, flat surface.
- Connect the power cord to an appropriate power outlet (110V or 220V).
- Check that all components are securely attached and in good condition before use.

2. Usage

- Turn on the tool using the designated power switch.
- Select the appropriate tool for chamfering, deburring, or cleaning primer pockets.
- Carefully insert the brass case into the tool, ensuring it is properly aligned.
- Operate the tool according to the manufacturer's guidelines, applying gentle pressure as needed.
- After use, turn off the tool and disconnect it from the power supply.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste.
- Do not dispose of the product in regular household waste.
- If the product is no longer functioning, consider recycling components where possible.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the official Hornady website or your local Hornady distributor.

Thank you for prioritizing safety while using the LOCKNLOAD CASE PREP TRIO LARGE PRIMER CLEANER HEAD. Enjoy your reloading experience!
