LUBEAMATIC2 LUBE AND SIZER DIES 0.375"

BULLET SIZING DIE Safety Instructions

Introduction

Thank you for choosing the LUBEAMATIC2 LUBE AND SIZER DIES 0.375" BULLET SIZING DIE by RCBS. This product is designed to enhance your bullet sizing and lubricating process. To ensure your safety and the safe use of this product, please read and follow the guidelines outlined in this manual.

General Safety Guidelines

- **Product Safety:** Always ensure that the LUBEAMATIC2 and its components are used according to the instructions provided. This product is intended for nonfood use only.
- **Enhanced Recalls:** Stay informed about any product recalls through the EU Safety Gate platform. If you receive a recall notice for this product, follow the instructions provided to return or repair the product.
- **Online Shopping:** If purchased online, verify that the seller complies with EU safety requirements. Ensure that the product is genuine and in good condition upon receipt.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors to prevent accidents.
- **EU Contact Point:** For any safety inquiries, please refer to the relevant contact point provided by your retailer or manufacturer.
- **Rapid Alerts:** Regularly check the EU Safety Gate platform for updates regarding the safety of this product.

Specific Safety Precautions for Use

- Always wear safety goggles and gloves when handling the LUBEAMATIC2 and its components to protect against potential splashes of lubricant.
- Ensure that the work area is clean, dry, and wellventilated to avoid slips and falls.
- Do not exceed the recommended bullet sizing specifications to prevent damage to the product and ensure safe operation.
- Inspect the LUBEAMATIC2 for any signs of wear or damage before each use. Do not use if damaged.
- Keep the product away from heat sources and open flames, as lubricants may be flammable.
- Avoid using excessive force when operating the LUBEAMATIC2 to prevent injury or damage.
- Only use compatible lubricants as specified in the product documentation. Using incompatible materials may result in malfunction or hazards.

Instructions for Installation and Usage

1. Installation:

- Ensure that the LUBEAMATIC2 is placed on a stable, flat surface.
- Secure the die into the LUBEAMATIC2 according to the manufacturer's instructions.
- Attach the appropriate top punch for your bullet type, if applicable.

2. Usage:

- Prepare your cast bullets by ensuring they are clean and free from debris.
- Insert the bullets into the LUBEAMATIC2 and adjust the sizing die to the desired diameter (0.375").
- Operate the LUBEAMATIC2 according to the instructions, applying steady pressure to size and lubricate the bullets.
- After use, clean the die and the LUBEAMATIC2 to maintain performance and safety.

Disposal Instructions

- Dispose of any used lubricants and cleaning materials according to local regulations.
- Do not dispose of the LUBEAMATIC2 or its components in regular household waste. Check for local recycling or hazardous waste disposal options.

Contact Information for Further Support

For assistance or inquiries regarding the LUBEAMATIC2 LUBE AND SIZER DIES 0.375" BULLET SIZING DIE, please refer to the contact information provided by your retailer or manufacturer.

By following these safety instructions, you can ensure the safe and effective use of your LUBEAMATIC2 LUBE AND SIZER DIES. Thank you for your attention to these important guidelines.
