

WFT 2 TRIMMER - LITTLE CROW GUNWORKS. 375 REMINGTON ULTRA MAGNUM TRIM CHAMBER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Case Trimmers](#)

The WFT 2 is the next generation of WFT trimmers. The two main improvements are the ability to trim up to 45 caliber and interchange trim chambers. The WFT 2 has a half inch shaft and requires a half inch chuck to drive it. The feature most customers asked for was the ability to interchange trim chambers. Instead of press fitting the trim chambers, like the original WFT, the trim chambers on the WFT 2 are a slight slip fit in bearing with a groove cut for an O-ring which creates a press fit. Changing out trim chambers is accomplished by removing the cutter and pushing out the trim chamber with the knock-out dowel that is provided. Installing the trim chamber is accomplished by setting the trim chamber on a flat surface and steadily pushing the housing onto the trim chamber. Setting the cutter depth is easily adjusted by placing a "master case" in the trim chamber and sliding the cutter up to the case mouth and tightening down the set screws. Trimming is just as precise and clean as with our original trimmer. The trim chamber selection on the WFT 2 is by specific cartridge, but still trims by case family-just order the largest chamber in the family that you intend to trim. This unit and its inserts do not chamfer or deburr the case mouth of the cartridge case as it is trimmed. If you can't find the cartridge you need, please contact our Special Order Department at 800-741-0015

Safety Instruction Guide for WFT 2 Trimmer Little Crow Gunworks .375 Remington Ultra Magnum Trim Chamber

Introduction

Thank you for choosing the WFT 2 Trimmer from Little Crow Gunworks. This product is designed for precision trimming of cartridge cases. To ensure your safety and the proper use of this product, please read and follow the instructions in this guide carefully.

General Safety Guidelines

- Always wear appropriate safety gear, including eye protection, when operating the trimmer.
- Ensure that the work area is clean and free of distractions.
- Keep the trimmer out of reach of children and vulnerable individuals.
- Inspect the trimmer and its components for any damage before use.
- Do not use the trimmer if any parts are damaged or malfunctioning.
- Follow all manufacturer instructions for setup, operation, and maintenance.

Specific Safety Precautions for Use

- Ensure that the trimmer is securely attached to a stable work surface before use.
- Use only the specified half inch chuck to drive the trimmer.
- Always use the provided knockout dowel for changing trim chambers.
- Do not attempt to modify the trimmer or its components.
- Be cautious when adjusting the cutter depth; fingers should be kept clear of moving parts.
- Do not operate the trimmer in wet or damp conditions.
- Store the trimmer in a dry place when not in use.

Instructions for Installation and Usage

1. Installation:

- Place the WFT 2 Trimmer on a stable work surface.
- Ensure that you have a half inch chuck ready to attach the trimmer.
- Insert the trimmer shaft into the half inch chuck and tighten securely.

2. Changing Trim Chambers:

- Remove the cutter from the trimmer.
- Use the provided knockout dowel to push out the current trim chamber.
- To install a new trim chamber, place it on a flat surface and push the housing onto the trim chamber until it is secure.

3. Setting Cutter Depth:

- Insert a “master case” into the trim chamber.
- Slide the cutter up to the case mouth.
- Tighten the set screws to secure the cutter in place.

4. Trimming:

- Ensure the trimmer is powered and ready for use.
- Feed the cartridge case into the trimmer and activate the device.
- Monitor the trimming process to ensure precision and cleanliness.

5. Post Use:

- Turn off and unplug the trimmer after use.
- Clean the trimmer and its components to maintain performance.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the trimmer reaches the end of its life, dispose of it responsibly. Check local guidelines for electronic waste disposal.
