

TRIM DIES - REDDING FORM & TRIM DIE 26 NOSLER

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Redding Trim Dies allow you to file trim your cases without unnecessary resizing. Other manufacturers use sizing die dimensions, forcing you to full length resize when trimming. For case forming and necking brass down from another caliber, Redding Trim Dies can be the perfect intermediate step before full length resizing.

Safety Instruction Guide for TRIM DIES REDDING FORM & TRIM DIE 26 NOSLER

Introduction

Thank you for choosing the TRIM DIES REDDING FORM & TRIM DIE 26 NOSLER. This product is designed to assist you in trimming your cases safely and effectively. Please read this safety instruction guide thoroughly to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle the dies with care to avoid injury.
- Ensure that you are using the product in a wellventilated area.
- Keep the dies out of reach of children and vulnerable individuals.
- Regularly check the dies for wear and damage before use.
- Store the dies in a dry place, away from moisture and extreme temperatures.
- Follow all local laws and regulations regarding the use of reloading equipment.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):**
 - Always wear safety glasses to protect your eyes from debris.
 - Use gloves to protect your hands from sharp edges and metal shavings.
- **Workspace Safety:**
 - Ensure your workspace is clean and organized to prevent accidents.
 - Use a stable workbench to avoid slips and falls during operation.
- **Avoiding Hazards:**
 - Do not attempt to modify the dies in any way.
 - Be cautious of sharp edges on the dies.
 - Keep hands clear of moving parts during operation.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is compatible with the TRIM DIES REDDING.
- Securely mount the dies into the reloading press according to the manufacturer's instructions.
- Check that the dies are tightened properly to prevent movement during use.

2. Usage:

- Prepare your brass cases by cleaning them thoroughly.
- Insert a case into the trim die and follow the instructions provided with your reloading press.
- Operate the press slowly and steadily to achieve the desired trim length.
- After trimming, check the case length with a caliper to ensure it meets specifications.

Disposal Instructions

- Dispose of any metal shavings and debris in accordance with local regulations.
- Do not dispose of the dies in regular household waste. Instead, check for local recycling programs that accept metal products.
- Ensure that all packaging materials are disposed of responsibly.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please contact your local distributor or manufacturer. Ensure that you have the product details available for reference.

By following these guidelines, you can ensure a safe and effective experience with the TRIM DIES REDDING FORM & TRIM DIE 26 NOSLER. Thank you for prioritizing safety in your reloading activities.
