

35 REMINGTON BRASS CASE - 35 REMINGTON BRASS 50/BOX

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

Hornady unprimed brass features tight tolerances, uniform concentricity, consistent weight and capacity. Their manufacturing processes ensure consistent bullet seating and uniform bullet release for optimal velocity and accuracy. Target shooters insist on uniform case wall thickness and tight tolerances. Hornady delivers this by treating brass as the foundation for an accurate cartridge, not as a commodity.

Safety Instruction Guide for 35 Remington Brass Case

Introduction

Thank you for choosing the 35 Remington Brass Case by Hornady. This guide provides essential safety instructions to ensure the safe use and handling of this product. Please read this guide thoroughly before using the brass cases to understand the potential hazards and the necessary precautions to take.

General Safety Guidelines

- Ensure that all products are used in accordance with the manufacturer's instructions.
- Follow all local laws and regulations regarding the use of ammunition components.
- Store brass cases in a cool, dry place away from direct sunlight and moisture.
- Keep brass cases out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper handling or storage may lead to accidental discharge or injury.
 - Brass cases are not toys and should not be handled by children.
- **Avoiding Hazards:**
 - Always handle brass cases with care and in a safe environment.
 - Do not use damaged brass cases. Inspect for cracks, dents, or other defects before use.
 - Wear appropriate personal protective equipment (PPE) such as safety glasses when reloading.
 - Ensure that your workspace is clean and free from distractions while handling brass cases.

Instructions for Installation and Usage

- **Installation:**
 - Ensure that your reloading equipment is compatible with the 35 Remington brass cases.
 - Follow the manufacturer's instructions for your reloading equipment to install the brass cases properly.
- **Usage:**
 - Use only the recommended powder and projectiles for the 35 Remington cartridge.
 - Follow safe reloading practices, including checking the weight of powder charges and ensuring proper bullet seating.
 - Keep all tools and components organized to avoid confusion and errors during the reloading process.
 - After reloading, inspect each cartridge for proper assembly and functionality before use.

Disposal Instructions

- Dispose of any damaged or unusable brass cases in accordance with local regulations.
- Do not dispose of brass cases in regular household waste.
- Consider recycling brass cases if possible, as they can be repurposed.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the 35 Remington Brass Case, please contact your local Hornady representative or visit the Hornady website for more information.

Thank you for prioritizing safety while using the 35 Remington Brass Case. Your adherence to these guidelines helps ensure a safe and enjoyable experience.
