Safety Instruction Guide for TYPE S MATCH BUSHING NECK DIE SET

Introduction

Thank you for choosing the TYPE S Match Bushing Neck Die Set from Redding. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this guide carefully before using the die set to avoid any risks associated with its use.

General Safety Guidelines

- Ensure that the die set is used only for its intended purpose, which is to resize and seat bullets for the 6.5 Grendel cartridge.
- Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading equipment.
- Keep the die set and all reloading components out of the reach of children and unauthorized users.
- Regularly inspect the die set for any signs of damage or wear before use. Do not use damaged equipment.
- Follow the manufacturer's guidelines and recommendations for reloading practices to minimize risks.
- In case of an accident or malfunction, report it immediately to the relevant authorities.

Specific Safety Precautions for Use

- Always work in a wellventilated area to avoid inhaling any dust or fumes generated during the reloading process.
- Use only compatible cartridges and components as specified by the manufacturer.
- Avoid distractions while reloading to maintain focus and ensure safety.
- Store all reloading materials, including powders and primers, in a cool, dry place, away from any ignition sources.
- Do not exceed recommended load data when reloading ammunition, as this may lead to dangerous pressure levels.
- If you are new to reloading, consider seeking guidance from experienced reloaders or instructional materials.

Instructions for Installation and Usage

• Installation:

1. Ensure your reloading press is securely mounted and stable.
2. Install the Type S Bushing Neck Sizing Die into the press according to the manufacturer's instructions.
3. Install the Body Die and Competition Seating Die in the same manner.
4. Adjust the dies according to the specifications for the 6.5 Grendel cartridge.

• Usage:

1. Start by resizing the brass cases using the Type S Bushing Neck Sizing Die. Follow the manufacturer's guidelines for proper adjustments.
2. After resizing, use the Body Die to ensure cases fit properly in the chamber.
3. Finally, use the Competition Seating Die to seat bullets to the desired depth. Ensure that the bullets are seated correctly to avoid issues during firing.
4. Always check the finished cartridges for consistency and quality before use.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of reloading materials in regular household waste. Follow local hazardous waste disposal guidelines for any unused powders or primers.
- Recycle brass cases when possible, following local recycling regulations.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please refer to the contact point provided by the manufacturer. It is important to have access to support for your safety and effective use of the product.

By following these guidelines, you can help ensure a safe and productive reloading experience with the TYPE S Match Bushing Neck Die Set. Thank you for your attention to these important safety instructions.
