

# ULTRA™ MICROMETER SEATER DIES - FORSTER PRODUCTS, INC.

## 6.5 CREEDMOOR MICROMETER SEATER DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Forster Reloading Dies are of excellent quality and provide the reloader with the ability to produce concentric rounds time and time again. Each die is manufactured from the finest quality steel carefully machined to very tight tolerances. Dies are hand polished both before and after the heat-treating process to guarantee an extra fine finish. All Forster reloading dies feature their Forster Cross Bolt Die Locking Ring that tightens the two ends of the split ring instead of tightening a screw directly into the threads of the die. The Forster Ultra Seater includes all of the features of the Forster Bench Rest Seater Die above, plus an ultra accurate micrometer adjustment. This micrometer adjustment allows you to adjust bullet seating depth from .0005 inch to .001 inch increments, and makes switching bullets easy - just dial back to your previous recorded setting. Forster Ultra Seaters make fine tuning your bullets to the lands of your rifling simple.

### Attributes

- Name: [FORSTER PRODUCTS, INC. 6.5 CREEDMOOR MICROMETER SEATER DIE](#)
- Manufacturer: [FORSTER PRODUCTS, INC.](#)
- Product no.: 749017767
- Mfr. No.: U00062
- Cartridge: 6.5 Creedmoor
- Delivery weight: 0.27kg
- Shipping height: 44mm
- Shipping width: 51mm
- Shipping length: 171mm
- UPC: 757253992070

# ULTRA™ MICROMETER SEATER DIES SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the ULTRA™ MICROMETER SEATER DIES by Forster Products, Inc. This guide provides essential safety instructions to ensure the safe and effective use of your reloading dies. Please read this guide carefully before using the product.

## General Safety Guidelines

- **Product Safety:** Ensure that you use the ULTRA™ MICROMETER SEATER DIES in accordance with the provided instructions to minimize risks.
- **Enhanced Recalls:** Stay informed about any product recalls by checking official sources regularly.
- **Online Shopping:** If purchased online, ensure that the platform complies with safety standards.
- **Special Consumer Focus:** Keep the dies out of reach of children and ensure that only responsible adults handle them.
- **EU Contact Point:** For any safety inquiries, refer to the official EU contact points.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on product safety.

## Specific Safety Precautions for Use

- **Handling:** Always handle the dies with care. Sharp edges may cause cuts or injuries.
- **Storage:** Store the dies in a dry, safe place away from children and pets.
- **Personal Protective Equipment (PPE):** Wear safety glasses and gloves when using the dies to protect against debris and sharp components.
- **Inspection:** Before each use, inspect the dies for any signs of damage or wear. Do not use damaged dies.
- **Compatibility:** Ensure that the dies are compatible with your reloading equipment and the specific cartridge you are using.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your reloading press is securely mounted and stable.
- Follow the manufacturer's instructions for your specific reloading press model.
- Install the ULTRA™ MICROMETER SEATER DIES according to the following steps:
  - Remove any previous dies from the press.
  - Insert the ULTRA™ MICROMETER SEATER DIE into the press and tighten securely.
  - Attach the Forster Cross Bolt Die Locking Ring by tightening the two ends of the split ring.

### 2. Usage:

- Set the micrometer adjustment by turning the dial to achieve the desired bullet seating depth.
- Adjust the seating depth in increments of .0005 inch to .001 inch as needed.
- Test the die by seating a bullet and checking the depth using a caliper.
- If adjustments are necessary, simply dial back to your previous recorded setting.

## Disposal Instructions

- Dispose of any damaged or worn dies responsibly. Follow local regulations for metal recycling or disposal of machinery parts.

- Do not throw dies in regular household waste. Instead, take them to a designated recycling center or hazardous waste facility.

## **Contact Information for Further Support**

For further assistance or inquiries regarding safety or product usage, please refer to the official contact points provided by your retailer or the manufacturer.

Thank you for prioritizing safety in your reloading practices. Enjoy using your ULTRA™ MICROMETER SEATER DIES responsibly and effectively.
