

BUSHING BUMP NECK DIE KITS - FORSTER PRODUCTS, INC.

6.5X55MM SWEDE BUSHING BUMP NECK DIE KIT

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Thanks to the Forster Bushing Bump Neck Die Kits, precision reloaders can now finely control the amount of tension put on the necks of their cartridges. Each of these sizing-die kits includes a hand-polished sizing die that perfectly matches the caliber of your firearm, as well as three hand-selected bushing sizes that are picked by Forster staff themselves. Each of the bushings are finely machined to a smooth internal finish. Available calibers in the Forster Bushing Bump Neck Die Kits are .284 Winchester, 6.8 SPC and 6mm Creedmoor.

BUSHING BUMP NECK DIE KITS USER SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Forster Bushing Bump Neck Die Kit for your reloading needs. This guide aims to ensure your safety while using this product and to help you achieve the best results in your reloading process. Please read this instruction manual carefully before using the product.

General Safety Guidelines

- **Product Safety:** Always ensure that you are using the Bushing Bump Neck Die Kit in a safe manner. Familiarize yourself with the product and its intended use.
- **Enhanced Recalls:** In the event of a product recall, you will be notified through standardized notices. Always check for updates regarding recalls.
- **Online Shopping:** If purchased online, ensure that the platform complies with safety standards similar to physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For safety inquiries, please refer to the designated contact point provided with your product.
- **Rapid Alerts:** Stay informed about any unsafe products through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Read the Manual:** Always read the instruction manual thoroughly before use.
- **Wear Protective Gear:** Use safety glasses and gloves to protect yourself from any debris or sharp edges during the reloading process.
- **Check Equipment:** Regularly inspect your die kit and reloading equipment for any signs of wear or damage.
- **Proper Ventilation:** Ensure that your workspace is wellventilated to avoid inhaling any harmful substances.
- **Avoid Distractions:** Stay focused while reloading. Avoid multitasking and distractions in your workspace.
- **Store Safely:** Keep the die kit and all reloading components in a secure, dry place when not in use.

Instructions for Installation and Usage

1. Setup:

- Ensure that your reloading press is securely mounted and stable.
- Familiarize yourself with the components of the Bushing Bump Neck Die Kit.

2. Installation:

- Insert the sizing die into the reloading press according to the manufacturer's instructions.
- Select the appropriate bushing size for your cartridge and install it into the die.

3. Usage:

- Adjust the die according to your desired neck tension.
- Follow the reloading data for the specific cartridge (.284 Winchester, 6.8 SPC, or 6mm Creedmoor) you are using.

- Always ensure that the cartridge case is clean and free from debris before resizing.
- Perform a test run with a dummy round to ensure proper setup before proceeding with live ammunition.

4. Finishing Up:

- After use, clean the die and store it in a safe place.
- Dispose of any waste materials in accordance with local regulations.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local waste disposal regulations.
- Do not dispose of the die kit in regular household waste. Check for local recycling options for metal components.

Contact Information for Further Support

For any inquiries or further assistance, please refer to the contact information provided with your product.

Thank you for using the Forster Bushing Bump Neck Die Kit. By following these safety guidelines and instructions, you can ensure a safe and successful reloading experience. Always prioritize safety and stay informed about best practices in reloading.
