

32 S&W BRASS - STARLINE 32 S&W BRASS 100/BAG

[Reloading](#) > [Brass](#) > [Pistol Brass](#)

The .32 S&W, not to be confused with the .32 S&W Long, was originally designed as a black powder cartridge for use in small, inexpensive pocket revolvers. Starline brass has been designed to be safe with both smokeless and black powder, and can be safely fired in revolvers chambered for 32 S&W Long, 32 H&R Magnum and 327 Federal Magnum Starline is a family owned business and prides itself on producing the highest quality brass case available. With a production process focused on quality not quantity, Starline makes the finest brass and has for more than 40 years out of their state-of-the-art manufacturing facility in Sedalia, MO.

Safety Instruction Guide for 32 S&W Brass Starline

Introduction

Thank you for choosing Starline 32 S&W Brass. This guide provides essential safety instructions and guidelines to ensure the safe handling and usage of your brass cartridges. Please read this document carefully before use.

General Safety Guidelines

- **Product Safety:** Ensure safe use of all nonfood products, including cartridges. Follow all handling instructions to minimize risks.
- **Enhanced Recalls:** Stay informed about any recall notices. If a product is deemed dangerous, you may be entitled to a free remedy.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety regulations similar to those in physical stores.
- **Special Consumer Focus:** Extra precautions should be taken to safeguard vulnerable groups, including children.
- **EU Contact Point:** For any safety inquiries, please refer to your local EU contact point.
- **Rapid Alerts:** Keep updated on product safety through the EU's Safety Gate system.

Specific Safety Precautions for Use

- **Age Restriction:** This product is intended for use by individuals who are of legal age to purchase and handle firearms and ammunition in their jurisdiction.
- **Firearm Compatibility:** Ensure that your firearm is compatible with .32 S&W cartridges. Only use in firearms specifically chambered for .32 S&W, .32 S&W Long, .32 H&R Magnum, or .327 Federal Magnum.
- **Storage:** Store cartridges in a cool, dry place away from direct sunlight and out of reach of children.
- **Inspection:** Before use, inspect each cartridge for any signs of damage, corrosion, or defects.
- **Handling:** Always handle cartridges with care and follow standard firearm safety practices. Never point a firearm at anything you do not intend to shoot.
- **Use of Protective Gear:** It is recommended to wear safety glasses and hearing protection when firing.

Instructions for Installation and Usage

- **Loading Cartridges:**
 - Ensure the firearm is pointed in a safe direction.
 - Open the action of the firearm and ensure it is unloaded.
 - Insert the cartridges into the magazine or cylinder according to the firearm's specifications.
- **Firing:**
 - Confirm that the firearm is in good working order.
 - Ensure that the area is clear of bystanders.
 - Follow the manufacturer's instructions for firing your specific firearm.
- **Post Use:**
 - After use, clean your firearm according to the manufacturer's guidelines.
 - Store remaining cartridges in a safe location.

Disposal Instructions

- **Disposal of Unused Cartridges:**

- Do not dispose of cartridges in regular trash. Contact local authorities for proper disposal methods.

- **Spent Cartridges:**

- Spent cartridges can usually be recycled. Check with local recycling programs for guidelines on recycling brass.

Contact Information for Further Support

For any questions or concerns regarding safety or product performance, please reach out to your local dealer or refer to the manufacturer's website for additional information.

By following these safety guidelines, you can help ensure a safe and enjoyable experience with your Starline 32 S&W Brass. Thank you for your attention to these important safety measures.
