L.E. Wilson .50 BMG Microstop Case Trimmer Kit

Safety Instructions

Introduction

Thank you for choosing the L.E. Wilson .50 BMG Microstop Case Trimmer Kit. This manual provides essential safety instructions and guidelines to ensure the safe and effective use of your case trimmer. It is important to read and understand these instructions before using the product to prevent accidents and injuries.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always read the manufacturer's instructions and safety warnings before use.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product regularly for any signs of damage or wear.
- Do not use the product if it is damaged or malfunctioning.
- Store the product in a dry, secure place when not in use.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when operating the trimmer.

Specific Safety Precautions for Use

- Always ensure that the trimmer is securely clamped before trimming cases.
- Keep hands and other body parts away from cutting areas during operation.
- Do not attempt to trim cases that are not compatible with the .50 BMG Microstop Case Trimmer Kit.
- Avoid wearing loose clothing or jewelry that could get caught in the machinery.
- Do not operate the trimmer in wet or damp conditions.
- Ensure that your workspace is clean and free of clutter to prevent accidents.
- Be mindful of the sharp edges of the trimmer and handle with care.

Instructions for Installation and Usage

1. Setup:

- Place the trimmer on a stable, flat surface.
- Attach the trimmer stand securely to the base.
- Insert the .50 caliber case holder into the trimmer.

2. Adjusting the Micro Stop:

- Adjust the micro stop to the desired trimming length by turning the micrometer stop.
- Ensure that the adjustment is locked in place before trimming.

3. Trimming Cases:

- Insert the fired case into the case holder.
- Clamp the case holder securely to prevent movement.
- Activate the trimmer according to the manufacturer's instructions, ensuring your hands are clear of the cutting area.
- After trimming, carefully remove the case from the holder.

4. PostUse Care:

- Clean the trimmer and case holder after each use to remove any debris.
- Store the trimmer and all components in a safe and dry location.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Recycle packaging materials where possible.
- Do not dispose of the product in household waste; check for electronic waste recycling facilities in your area.

Contact Information for Further Support

For any questions or concerns regarding the L.E. Wilson .50 BMG Microstop Case Trimmer Kit, please consult the manufacturer's website or customer service for support.

By following these safety instructions, you can ensure a safe and effective experience with your L.E. Wilson .50 BMG Microstop Case Trimmer Kit. Always prioritize safety and do not hesitate to seek assistance if unsure about any part of the operation. Thank you for your attention to these important guidelines.
