

INTERLOCK 45 CALIBER (0.452") BULLETS - INTERLOCK® 45 CALIBER (0.452") 245GR SPIRE POINT 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Hornady's traditional line of bullets feature exposed lead tips for controlled expansion and hard-hitting terminal performance. Most have our pioneering secant ogive design — one of the most ballistically efficient profiles ever developed (see diagram to right). Most feature their exclusive InterLock® design — a raised ring inside the jacket that is embedded in the bullet's core that keeps the core and jacket locked together during expansion to retain mass and energy. Product Features INNER GROOVES Strategically weaken the upper section of the jacket, ensuring consistent, controlled expansion, even at long range. TAPERED JACKET Jacket thickness is precisely controlled for expansion at all velocities. ONE-PIECE CORE Does not separate like two-piece divided cores. The InterLock® retains more mass and energy for deep penetration and large, consistent wound channels that ensure quick, clean kills. CANNELURE Provides accurate and consistent crimping and also works with InterLock® ring to ensure the core and jacket remain locked during expansion. INTERLOCK® RING The raised InterLock® ring is embedded in the bullet's core, ensuring the core and jacket are locked in one piece during expansion to retain mass and energy.

Attributes

- Name: [INTERLOCK® 45 CALIBER \(0.452"\) 245GR SPIRE POINT 50/BOX](#)
- Manufacturer: [HORNADY](#)
- Product no.: 749019060
- Mfr. No.: 45204
- Ballistic Coefficient (G1): 0.165
- Brand Style: Interlock
- Bullet Style: Spire Point
- Caliber: 45 Caliber
- Diameter (in): 0.452
- Grain: 245
- Sectional Density: 0.171
- Quantity: 50
- Delivery weight: 0.816kg
- Shipping height: 57mm
- Shipping width: 89mm
- Shipping length: 102mm
- UPC: 090255452044

INTERLOCK 45 CALIBER (0.452") BULLETS Safety Instruction Guide

Introduction

Thank you for choosing Hornady's INTERLOCK 45 CALIBER (0.452") 245GR SPIRE POINT bullets. This guide provides essential safety information to ensure the safe use of this product. Please read and understand the instructions carefully before handling or using the bullets.

General Safety Guidelines

- Always treat all firearms and ammunition as if they are loaded.
- Store bullets in a cool, dry place away from direct sunlight.
- Keep bullets out of reach of children and unauthorized users.
- Use appropriate personal protective equipment (PPE) such as safety glasses and hearing protection when handling or using firearms.
- Ensure that you are familiar with the laws and regulations regarding the use of ammunition in your area.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

• Potential Hazards:

- Misfires: Always ensure that the firearm is functioning properly before use.
- Ricochets: Be aware of your surroundings and ensure a clear shooting area.
- Lead Exposure: Avoid inhaling lead dust and wash your hands after handling bullets.

• Avoiding Hazards:

- Inspect bullets for any signs of damage before use.
- Use only in firearms that are specifically designed for .45 caliber ammunition.
- Follow the manufacturer's loading guidelines to prevent overpressure situations.

• AgeSpecific Warnings:

- This product is intended for use by adults only. Keep out of reach of children.
- Ensure that inexperienced users are supervised by knowledgeable adults when using firearms.

Instructions for Installation and Usage

• Installation:

- Load bullets only into compatible cartridges as per the firearm manufacturer's specifications.
- Follow safe reloading practices if you are reloading ammunition.

• Usage:

- Always follow the firearm manufacturer's instructions for safe operation.
- Ensure that the firearm is pointed in a safe direction when loading and unloading.
- Be aware of your backstop and surroundings before firing.

Disposal Instructions

- Dispose of unused or defective bullets according to local regulations.
- Do not throw bullets in regular trash. Contact local waste management authorities for proper disposal methods.
- Ensure that bullets are stored safely until they can be disposed of properly.

Contact Information for Further Support

For any safety inquiries or concerns regarding the INTERLOCK 45 CALIBER (0.452") bullets, please contact the manufacturer or consult the relevant authorities. Always ensure that you have the latest safety information and updates on product recalls.

Thank you for prioritizing safety and for choosing Hornady products. Your responsible handling of ammunition contributes to a safer shooting environment for everyone.
