

# TYPE-S ELITE BUSHING DIE SET - REDDING 220 SWIFT BUSHING DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

INCLUDES - Type S - Bushing Full Sizing Die Type S - Bushing Neck Sizing Die Competition Seating Die Redding Reloading Equipment has once again established a new die set based on customer feedback. The past few years you have seen the introduction of many new sets like the National Match, Master Hunter and the Premiums as a result of changing trends in the category and stated desires of the customer base. The latest, the Redding, Type S Elite die set is also a direct result of customer feedback and is available for 85 different cartridges. The Type S Elite set is comprised of a Type S Bushing Full Die, A Type S Bushing Neck Die and the unparalleled Redding Competition Seating Die. All Type-S dies use an interchangeable bushing to control neck diameter and tension to an increment of 0.001". Bushings are available in hardened steel but also are available with a TIN (Titanium Nitride) coating for even greater lubricity. This allows the handloader complete control and precision when setting the appropriate neck tension without fear of over working the brass in the case neck. These bushings are also free-floating to self-center on the case neck for a higher degree of sizing accuracy. These features provide not only an enhanced degree of control but significant improvements to consistency and accuracy of the final loaded rounds.

## Attributes

- Name: [REDDING 220 SWIFT BUSHING DIE SET](#)

# Safety Instruction Guide for TYPES ELITE BUSHING DIE SET REDDING 220 SWIFT BUSHING DIE SET

## Introduction

Thank you for choosing the TYPES ELITE BUSHING DIE SET REDDING 220 SWIFT BUSHING DIE SET. This product has been designed with your safety and satisfaction in mind. Please read this safety instruction guide carefully to ensure safe and effective use of the die set.

## General Safety Guidelines

- Ensure that the die set is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and use.
- Keep the die set out of reach of children and vulnerable individuals.
- Regularly inspect the die set for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay informed about product recalls by checking updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as safety glasses and gloves, when handling reloading equipment.
- Use the die set in a wellventilated area to avoid inhaling any dust or fumes.
- Ensure that the work area is clean and free of clutter to prevent accidents.
- Do not exceed the recommended neck tension settings to avoid damaging the brass cases.
- Handle all components with care to avoid injury or damage.
- Store the die set in a secure location when not in use.

## Instructions for Installation and Usage

### 1. Installation:

- Before installation, read the entire instruction manual provided with the die set.
- Ensure that your reloading press is compatible with the TYPES ELITE BUSHING DIE SET.
- Securely mount the die set to the reloading press according to the manufacturer's instructions.
- Ensure that the interchangeable bushings are properly seated in the die.

### 2. Usage:

- Adjust the bushing to set the desired neck diameter and tension.
- Take care to avoid overworking the brass by frequently checking the neck tension.
- Use the Competition Seating Die for precise bullet seating and to maintain consistent overall length.
- Regularly clean the die set to maintain optimal performance and prevent corrosion.
- After use, disassemble the die set and store it in a protective case.

## Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not discard the die set in regular household waste.
- Contact your local waste management facility for guidance on proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the TYPES ELITE BUSHING DIE SET REDDING 220 SWIFT BUSHING DIE SET, please refer to the manufacturer's website or contact their customer support for assistance. Ensure that you have the product details ready for efficient service.

Thank you for your attention to these safety instructions. By following these guidelines, you can help ensure a safe and enjoyable reloading experience.
