

TYPE-S ELITE BUSHING DIE SET - REDDING 222 REMINGTON BUSHING DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

INCLUDES - Type S - Bushing Full Sizing Die Type S - Bushing Neck Sizing Die Competition Seating Die Redding Reloading Equipment has once again established a new die set based on customer feedback. The past few years you have seen the introduction of many new sets like the National Match, Master Hunter and the Premiums as a result of changing trends in the category and stated desires of the customer base. The latest, the Redding, Type S Elite die set is also a direct result of customer feedback and is available for 85 different cartridges. The Type S Elite set is comprised of a Type S Bushing Full Die, A Type S Bushing Neck Die and the unparalleled Redding Competition Seating Die. All Type-S dies use an interchangeable bushing to control neck diameter and tension to an increment of 0.001". Bushings are available in hardened steel but also are available with a TIN (Titanium Nitride) coating for even greater lubricity. This allows the handloader complete control and precision when setting the appropriate neck tension without fear of over working the brass in the case neck. These bushings are also free-floating to self-center on the case neck for a higher degree of sizing accuracy. These features provide not only an enhanced degree of control but significant improvements to consistency and accuracy of the final loaded rounds.

Safety Instruction Guide for TYPES ELITE BUSHING DIE SET

Introduction

Thank you for choosing the TYPES ELITE BUSHING DIE SET by Redding. This product is designed to enhance your reloading experience while ensuring safety and precision. This guide provides essential safety instructions and guidelines to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the work area is clean, welllit, and free from distractions.
- Keep this product out of reach of children and vulnerable individuals.
- Regularly inspect the die set for any signs of wear or damage before use.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling reloading equipment.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

• Hazard Identification:

- Risk of injury from improper handling or misuse of the die set.
- Risk of damage to components if excessive force is applied.

• Avoiding Hazards:

- Always follow the manufacturer's instructions for use and handling.
- Do not exceed the recommended specifications for the die set.
- Ensure that the bushing is properly installed before use.
- Avoid using damaged or worn components; replace them immediately.
- Keep hands and other body parts clear of moving parts during operation.

• AgeSpecific Warnings:

- This product is not intended for use by individuals under the age of 18 without adult supervision.
- Ensure that inexperienced users are guided by someone knowledgeable in reloading practices.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is compatible with the TYPES ELITE BUSHING DIE SET.
- Securely attach the Bushing Full Sizing Die and Bushing Neck Sizing Die to the reloading press.
- Adjust the dies according to the specific cartridge requirements, ensuring that the bushings are properly seated.

2. Usage:

- Follow the recommended procedures for resizing and seating your cartridges.
- Regularly check the neck tension using the interchangeable bushings to ensure consistent results.

- Clean the dies after use to maintain their functionality and longevity.

3. Maintenance:

- Store the die set in a dry, cool place to prevent rust and corrosion.
- Periodically inspect the bushings for wear and replace them if necessary.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Recycle packaging materials where possible.
- Do not dispose of the product in household waste; check for local recycling programs.

Contact Information for Further Support

For any questions regarding the TYPES ELITE BUSHING DIE SET or safety concerns, please refer to the manufacturer's website or customer service for assistance.

Thank you for following these safety guidelines. Your safety is our priority, and we hope you enjoy using the TYPES ELITE BUSHING DIE SET.
