Safety Instruction Guide for KEYED LOCK BOXES

LARGE LOCK BOX FDE

Introduction

Thank you for choosing the Snap Safe Lock Box. This product is designed to provide secure storage for handguns and other valuables, whether at home or while traveling. It is essential to read and understand this safety instruction guide to ensure safe usage and compliance with safety regulations.

General Safety Guidelines

- Ensure that the Lock Box is used only for its intended purpose: storing handguns and valuables.
- Keep the Lock Box out of reach of children and unauthorized individuals.
- Regularly inspect the Lock Box and its components for wear and damage.
- Always follow local laws and regulations regarding firearm storage and handling.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that the Lock Box is securely fastened to a stationary object using the included heavy steel cable.
- Do not use the Lock Box if it is damaged or shows signs of wear.
- Store firearms in a manner that prevents accidental discharge.
- Use the quality foam provided to safely store your firearm and prevent movement within the Lock Box.
- Ensure that the Lock Box is closed and locked when not in use.
- Avoid exposing the Lock Box to extreme temperatures or moisture, which may affect its integrity.

Instructions for Installation and Usage

1. Choosing a Location:

- Select a secure location for the Lock Box, such as a stationary object or a secure area within your vehicle or luggage.

2. Securing the Lock Box:

- Use the included heavy steel cable to secure the Lock Box to a stationary object, like a car seat or the internal frame of luggage.
- Ensure that the cable is tightly fastened and that the Lock Box cannot be easily removed.

3. Storing Your Valuables:

- Open the Lock Box and place your handgun or valuables inside.
- Use the foam interior to cushion and secure your items, preventing movement during transport.

4. Locking the Lock Box:

- After placing your items inside, close the Lock Box securely.
- Ensure that the locking mechanism is engaged and that the Lock Box cannot be opened without the proper key.

5. Regular Maintenance:

- Periodically check the Lock Box for any signs of damage or wear.
- Clean the exterior and interior surfaces with a soft, damp cloth to maintain its appearance and functionality.

Disposal Instructions

- Dispose of the Lock Box in accordance with local regulations for metal products.
- If the Lock Box is damaged beyond use, ensure that it is rendered unusable before disposal to prevent unauthorized access.
