FOAM EAR PLUGS HOWARD LEIGHT FOAM EAR PLUG SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Howard Leight Foam Ear Plugs. These earplugs are designed to provide effective noise reduction, ensuring a safer and more comfortable environment in various settings. This guide outlines essential safety instructions, usage precautions, and disposal methods to ensure your safety and satisfaction with the product.

General Safety Guidelines

- Ensure that the earplugs are suitable for your use and fit properly.
- Always inspect the earplugs for any signs of damage or wear before use.
- Keep the earplugs out of reach of children and pets to prevent choking hazards.
- Do not use earplugs if you have a history of ear problems unless advised by a healthcare professional.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay updated on recall notices related to this product through the EU Safety Gate platform.

Specific Safety Precautions for Use

- These earplugs have a Noise Reduction Rating (NRR) of 33 dB, providing high level protection against loud noises.
- Use the earplugs in environments where noise levels exceed safe limits, such as construction sites or during loud events.
- Avoid using earplugs while performing tasks that require clear hearing, such as driving or operating machinery.
- If irritation occurs while using the earplugs, discontinue use immediately and consult a healthcare professional.
- Do not share earplugs with others to minimize the risk of ear infections.

Instructions for Installation and Usage

1. Preparation:

- Wash your hands thoroughly before handling the earplugs.
- Ensure that the earplugs are clean and free from dirt or debris.

2. Fitting the Earplugs:

- Roll the earplug into a tight cylinder using your fingers.
- While holding the earplug, reach over your head with the opposite hand and pull the top of your ear upward to open the ear canal.
- Insert the rolled earplug gently into the ear canal and hold it in place until it expands to fill the ear canal.

3. Removing the Earplugs:

- To remove the earplugs, grasp the outer edge and gently twist before pulling them out to avoid damaging the ear canal.
- Dispose of the earplugs after single use to maintain hygiene and effectiveness.

Disposal Instructions

- Dispose of used earplugs in regular waste. Do not flush them down the toilet.
- Ensure that the earplugs are kept out of reach of children and pets during disposal.
