[Rifle Parts](#) > [Receiver Parts](#) > [Recoil Parts](#) > [Recoil Springs](#)

## Flat Wire Construction For Maximum Reliability & Performance

These flat wire, high-quality action/buffer springs from champion shooter David Tubb will perform flawlessly and are duty rated for 500,000 compression cycles at maximum performance. Made to “extra power” specs without the extra material, these springs are surprisingly lightweight, yet extremely durable. Gives correct timing and resistance on the recoil stroke and a controlled rebound ensures reliable feeding with consistent forward thrust on every shot. Keeps the bolt locked a little longer to allow pressures more time to subside for perfect cycling.

## Attributes

- Name: [DAVID TUBB 308AR STAINLESS STEEL BUFFER SPRING](#)
- Manufacturer: [DAVID TUBB](#)
- Product no.: 840000047
- Mfr. No.: ARBUFSR
- Weapon type: AR .308
- Delivery weight: 0.068kg
- Shipping height: 25mm
- Shipping width: 132mm
- Shipping length: 254mm

# Safety Instruction Guide for AR15/CAR15/308 AR Stainless Steel Springs

## Introduction

Thank you for choosing the AR15/CAR15/308 AR Stainless Steel Springs by David Tubb. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. Please read this guide carefully before using the springs.

## General Safety Guidelines

- **Product Safety:** Ensure that the springs are used only in compatible firearms as specified. Improper use may lead to malfunction or injury.
- **Enhanced Recalls:** Stay informed about any recall notices regarding this product. If you receive a recall notice, follow the instructions provided.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety regulations. Verify the authenticity of the product.
- **Special Consumer Focus:** Keep this product out of reach of children and vulnerable individuals. It is designed for use by knowledgeable adults.
- **EU Contact Point:** For any safety inquiries regarding this product, please refer to the designated EU contact point.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety and potential hazards.

## Specific Safety Precautions for Use

- **Compatibility:** Ensure that the springs are compatible with your firearm model. The AR15 fits both fixed and collapsible stocked rifles without modification, while the AR10 .308style fits AR10 and SR25/LR308 platforms.
- **Inspection:** Before each use, inspect the springs for any signs of wear, damage, or deformation. Do not use damaged springs.
- **Installation:** Follow the installation instructions carefully to avoid improper setup that could lead to malfunction.
- **Handling:** Always handle the springs with care. Wear appropriate protective gear when handling firearms.
- **Storage:** Store the springs in a cool, dry place away from direct sunlight and moisture to prevent corrosion.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing buffer spring according to the firearm's manual.
- Insert the new stainless steel buffer spring into the buffer tube.
- Ensure that the spring is seated properly and that there is no obstruction.
- Reassemble the firearm as per the manufacturer's instructions.

### 2. Usage:

- Always follow the manufacturer's guidelines for operating your firearm.
- Use only ammunition that is compatible with your specific firearm model.
- Regularly clean and maintain your firearm to ensure optimal performance.

## **Disposal Instructions**

- Dispose of any damaged or worn springs in accordance with local regulations regarding metal waste.
- Do not discard springs in regular household waste. Check with local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of the AR15/CAR15/308 AR Stainless Steel Springs, please refer to the designated EU contact point for assistance.

By following these safety guidelines and instructions, you can help ensure a safe and enjoyable experience with your AR15/CAR15/308 AR Stainless Steel Springs. Thank you for your attention to safety.
