

# AR-15M16/M4 CARRY HANDLE SCOPE MOUNT - SMITH ENTERPRISE CARRY HANDLE SCOPE MOUNT

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

## Lightweight, Streamlined Quick-Detach Mount Won't Block Iron Sights

Precision-machined aluminum scope mount attaches securely to the carry handle of your AR-15/M16/M4 to provide a solid, lightweight platform for tactical optics. MIL-STD 1913 rail cut accepts Picatinny, STANAG, and Weaver-style mounting systems, while hollow, .335" diameter sight channel offers unobstructed use of standard-issue iron sights without removing mount. Locks tightly in place with hardened steel stud and knurled nut that also allow fast, easy removal and reattachment of mount and attached optics without loss of zero. Positions scope to provide adequate eye relief when wearing a protective chemical/biological mask. Standard issue for Israeli Defense Forces, and deployed with the U.S. Armed Forces. NSN #1005-01-534-8696.

## Attributes

- Name: [SMITH ENTERPRISE CARRY HANDLE SCOPE MOUNT](#)
- Manufacturer: [SMITH ENTERPRISE](#)
- Product no.: 851000071
- Mfr. No.: 1037
- Colour: Black

# Safety Instruction Guide for AR15/M16/M4 Carry Handle Scope Mount

## Introduction

Thank you for choosing the AR15/M16/M4 Carry Handle Scope Mount by Smith Enterprise. This safety instruction guide is designed to help you understand how to safely use and maintain your scope mount. Please read this document carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always ensure the product is installed correctly before use.
- Regularly inspect the scope mount for any signs of wear or damage.
- Do not exceed the manufacturer's recommended weight limits for mounted optics.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the carry handle of your AR15/M16/M4 is clean and free of debris before installation.
- Avoid using the scope mount in extreme weather conditions that may compromise its integrity.
- Do not modify or alter the scope mount in any way, as this may lead to failure during use.
- When wearing a protective chemical/biological mask, ensure that the scope is positioned to provide adequate eye relief.
- If you experience any difficulty during installation or use, cease operation immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Installation:

- Remove any existing accessories from the carry handle.
- Align the scope mount with the carry handle ensuring that the MILSTD 1913 rail cut is facing upwards.
- Secure the mount using the hardened steel stud and knurled nut, ensuring it is tightened properly without overtorquing.
- Confirm that the mount is locked tightly in place before attaching any optics.

### 2. Usage:

- After installation, attach your tactical optics to the scope mount.
- Adjust the positioning of the optics for proper eye relief and comfort.
- Regularly check the tightness of the mount while in use, especially after extended periods of shooting.
- If you need to remove the mount, loosen the knurled nut and carefully detach it without applying excessive force.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for aluminum materials.
- If the product is damaged beyond repair, ensure it is recycled or disposed of in an environmentally friendly manner.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or product issues, please refer to the contact details provided by the manufacturer or retailer from whom you purchased the product.

This safety instruction guide aims to ensure your safe use of the AR15/M16/M4 Carry Handle Scope Mount. By following these guidelines, you can enjoy the benefits of enhanced optics while maintaining safety and compliance with the EU General Product Safety Regulation (GPSR).
