

#2 MUZZLE BRAKE 22 CALIBER - SHREWD #2 MUZZLE BRAKE 22 CALIBER 1/2-28 CHROME MOLY SILVER

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

Multi-port brake softens felt recoil and reduces muzzle rise. A single expansion chamber and 42 total ports, 21 on each side, angled 7° forward, provide maximum recoil control. Gunsmithing required. Comes with a .220" (nominal) diameter exit hole that must be opened up to .020" larger than bullet diameter. Can be enlarged to allow bullets up to .44 caliber. Rear exterior of comp can be machined to conform to barrel.

Attributes

- Name: [SHREWD #2 MUZZLE BRAKE 22 CALIBER 1/2-28 CHROME MOLY SILVER](#)
- Manufacturer: [SHREWD](#)

Safety Instruction Guide for #2 Muzzle Brake 22 Caliber

Introduction

Thank you for choosing the #2 Muzzle Brake 22 Caliber by SHREWD. This product is designed to enhance shooting performance by reducing recoil and muzzle rise. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always treat the muzzle brake as if it is loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Wear appropriate safety gear, including eye and ear protection, when using the muzzle brake.
- Keep the muzzle brake and all firearms out of reach of children and unauthorized users.
- Regularly inspect the muzzle brake for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding the use of muzzle brakes.

Specific Safety Precautions for Use

- Ensure that the muzzle brake is compatible with your firearm before installation.
- Do not exceed the maximum caliber specifications for the muzzle brake (up to .44 caliber).
- Be cautious of the exit hole size; it must be opened to .020 inches larger than the bullet diameter.
- Use only the recommended ammunition types for your firearm and muzzle brake.
- Avoid using the muzzle brake in wet or humid conditions to prevent rust and corrosion.
- If you notice any unusual sounds or performance issues while using the muzzle brake, stop using it immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove any existing muzzle device from the firearm.
- Clean the muzzle threads to remove any debris or residue.
- Align the muzzle brake with the threads and screw it onto the muzzle until it is handtight.
- Use a wrench to securely tighten the muzzle brake, but do not overtighten.
- Confirm that the muzzle brake is properly aligned and securely attached before use.

2. Usage:

- Always check the functionality of the muzzle brake before shooting.
- Maintain a firm grip on the firearm while shooting to manage recoil.
- After shooting, inspect the muzzle brake for any signs of damage or wear.
- Clean the muzzle brake regularly to ensure optimal performance.

Disposal Instructions

- When disposing of the muzzle brake, follow local regulations regarding the disposal of metal products.
- If the muzzle brake is damaged or no longer usable, consider recycling it at a metal recycling facility.
- Do not dispose of the muzzle brake in regular household waste.

Contact Information for Further Support

For safety inquiries or further assistance regarding the #2 Muzzle Brake 22 Caliber, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for prioritizing safety while using the #2 Muzzle Brake 22 Caliber. Your adherence to these guidelines will help ensure a safe and enjoyable shooting experience.
