Introduction

Thank you for choosing the TRIGGER SST 486 12GA by Beretta USA. This guide provides important safety information and instructions to ensure the safe use of your product. Please read this guide carefully before using the trigger and keep it for future reference.

General Safety Guidelines

- Ensure the product is used in accordance with local laws and regulations.
- Always handle the trigger with care and respect.
- Keep the trigger out of reach of children and unauthorized users.
- Regularly inspect the trigger for any signs of wear or damage.
- If you notice any defects or malfunctions, discontinue use immediately and contact a qualified technician.
- Be aware of your surroundings and ensure that the trigger is used in a safe environment.

Specific Safety Precautions for Use

- Always treat the trigger as if it is loaded, even if you believe it is not.
- Never point the trigger at anything you do not intend to shoot.
- Keep your finger off the trigger until you are ready to shoot.
- Use appropriate eye and ear protection when using the trigger.
- Do not use the trigger under the influence of drugs or alcohol.
- Avoid using the trigger in adverse weather conditions that may affect its performance.
- Follow the manufacturer's recommendations for compatible firearms and ammunition.

Instructions for Installation and Usage

1. Installation:

- Ensure you have the correct tools for installation.
- Read the firearm's manual for specific instructions on how to install the trigger.
- Carefully follow the steps provided in the manual to avoid any damage to the firearm or trigger.
- Ensure that all screws and components are securely fastened after installation.

2. Usage:

- Load the firearm only when you are in a safe shooting area.
- Verify that the trigger is properly installed and functioning before use.
- Familiarize yourself with the operation of the trigger before using it in a live setting.
- Practice safe shooting techniques and follow all range rules if using at a shooting range.
- After use, unload the firearm and store the trigger in a safe location.

Disposal Instructions

- Dispose of the trigger in accordance with local regulations.
- If the trigger is damaged or no longer functional, do not attempt to repair it yourself.
- Contact a qualified technician for proper disposal methods or recycling options.
