Safety Instruction Guide for the LEVER, SELECTOR, WH.WING, 20GA, NICKEL

Introduction

Thank you for choosing the LEVER, SELECTOR, WH.WING, 20GA, NICKEL by Beretta USA. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your product. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Regularly inspect the product for any signs of wear or damage before each use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents related to the product to the appropriate authorities.
- Stay informed about product recalls and safety alerts via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always handle the lever with care to prevent accidental injury.
- Ensure that the product is properly installed before use to avoid malfunctions.
- Do not modify or alter the product in any way, as this may compromise safety.
- Avoid using the product in adverse conditions (e.g., extreme temperatures or wet environments).
- Follow all local regulations and guidelines related to the use of this product.

Instructions for Installation and Usage

- **Installation:**
 - Carefully read the installation instructions provided with the product.
 - Ensure that all components are present and undamaged before starting the installation.
 - Use appropriate tools for installation to avoid damage to the product.
 - Securely fasten the lever to prevent any movement during operation.
- **Usage:**
 - Before use, familiarize yourself with the operation of the lever.
 - Always operate the lever with both hands for better control.
 - Do not force the lever beyond its intended range of motion.
 - After use, ensure the lever is returned to its neutral position.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic and mechanical waste.
- Do not dispose of the product in regular household waste.
- If you are unsure about disposal methods, contact your local waste management authority for guidance.

Contact Information for Further Support

For any questions, concerns, or reports regarding the safety of this product, please reach out to the designated EU contact point provided with your product documentation. It is essential to maintain open communication for safety inquiries and support.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
