Safety Instruction Guide for EJECTOR, 687 UPPER/LH, 28GA ON .410 FRAME RAW

Introduction

Thank you for choosing the EJECTOR, 687 UPPER/LH, 28GA ON .410 FRAME RAW manufactured by Beretta USA. This guide provides essential safety instructions to ensure the safe use of your product. Please read this guide carefully before using the ejector to understand the safety precautions and operational guidelines.

General Safety Guidelines

- Ensure that the ejector is used only for its intended purpose.
- Always handle the ejector with care, following all safety protocols.
- Keep the ejector out of reach of children and unauthorized users.
- Regularly inspect the ejector for any signs of damage or wear.
- If you notice any irregularities, do not use the ejector and seek professional assistance.
- Be aware of your surroundings when operating the ejector to avoid accidents.
- Follow all applicable laws and regulations regarding the use of the ejector in your location.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using the ejector.
- Ensure that the area is clear of bystanders before operating the ejector.
- Do not point the ejector at yourself or others at any time.
- Only use compatible ammunition as specified in the product documentation.
- Do not attempt to modify or alter the ejector in any way.
- If the ejector jams or malfunctions, follow the troubleshooting guidelines provided in this manual.
- Store the ejector in a secure location when not in use.

Instructions for Installation and Usage

1. Installation:

- Carefully unpack the ejector and inspect all components for damage.
- Ensure that you have all necessary tools for installation.
- Follow the manufacturer's instructions for installing the ejector onto your firearm.
- Ensure that all screws and fittings are tightened securely.

2. Usage:

- Load the ejector with the appropriate ammunition.
- Ensure that the ejector is properly positioned before use.
- Follow the standard operating procedures for your specific firearm model.
- After use, unload the ejector and clean it according to the maintenance instructions.

Disposal Instructions

- Dispose of the ejector in accordance with local regulations concerning firearms and related components.
- Do not dispose of the ejector in regular household waste.
- If the ejector is damaged beyond repair, contact a licensed professional for proper disposal.

Contact Information for Further Support

For any safety inquiries, concerns, or additional support, please reach out to the designated contact point in your region as per EU regulations.

Conclusion

Your safety is our priority. By following the guidelines and precautions outlined in this manual, you can ensure a safe and enjoyable experience with your EJECTOR, 687 UPPER/LH, 28GA ON .410 FRAME RAW. Always stay informed about product recalls and safety updates through the EU's Safety Gate platform. Thank you for your attention to these important safety instructions.
