Safety Instruction Guide for the Beretta SO Series Forend Iron Lever Plunger

Introduction

Thank you for choosing the Beretta SO Series Forend Iron Lever Plunger. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this document carefully before installation and usage.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about recalls and safety updates via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Do not use the lever plunger if it is damaged or malfunctioning.
- Avoid using excessive force when operating the lever plunger.
- Ensure that the lever plunger is properly installed before use.
- Keep hands and other body parts away from moving parts during operation.
- Use appropriate personal protective equipment (PPE) if necessary.
- Only use the lever plunger in accordance with Beretta's specifications.

Instructions for Installation and Usage

1. Installation

- Ensure that you have all necessary tools and components before starting the installation.
- Follow these steps for proper installation:
 1. Identify the correct location for the lever plunger on the forend.
 2. Align the lever plunger with the mounting points.
 3. Secure the lever plunger using the provided fasteners, ensuring a tight fit.
 4. Doublecheck the installation for stability and security.

2. Usage

- To operate the lever plunger:
 1. Ensure that the firearm is in a safe condition before using the lever plunger.
 2. Grip the lever firmly and apply gentle pressure to activate.
 3. Release the lever slowly and carefully.
 4. After use, inspect the lever plunger for any signs of wear or damage.

Disposal Instructions

- Dispose of the product responsibly in accordance with local regulations.
- Do not dispose of the product in household waste.
- Contact local waste management services for guidance on proper disposal methods.

Contact Information for Further Support
