

# AR-15/M16 SINGLE RAIL (SR) MOUNT SYSTEM - WEAVER SR FLAT TOP MOUNT

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

## Single Rail Design Increases Accessory & Scope Mounting Options

Picatinny rail designs increase your scope and accessory mounting options without gunsmithing or permanent alterations. Single Rail (SR) keeps weight to a minimum. Made from tough, extruded aluminum; attaches securely with easy-to-turn, steel thumbscrews with threaded steel studs. Accepts both Picatinny or Weaver-style accessories and rings and includes mounting recesses and screws for STANAG rings. Sight tunnel in carry handle version allows unobstructed use of the adjustable A2 factory sights. Flat top version raises line of sight by .870" for improved eye relief and more comfortable cheek weld with conventional or electronic optics. Available for A2 carry handle or A4 flattop receivers. Both models attach quickly with either single or dual thumbscrews.

## Attributes

- Name: [WEAVER SR FLAT TOP MOUNT](#)
- Manufacturer: [WEAVER](#)
- Product no.: 955000108

# AR15/M16 Single Rail (SR) Mount System Safety Instruction Guide

## Introduction

Thank you for choosing the AR15/M16 Single Rail (SR) Mount System. This product is designed to enhance your shooting experience by providing a secure and versatile mounting solution for scopes and accessories. However, it is essential to follow safety guidelines to ensure safe usage and optimal performance of the mount system.

## General Safety Guidelines

- Always read the product manual before installation and use.
- Ensure that the mount system is compatible with your firearm model.
- Inspect the mount system before each use for any signs of wear or damage.
- Keep the mount system and accessories out of reach of children and unauthorized users.
- Use the mount system only for its intended purpose.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

### • Installation Safety:

- Ensure the firearm is unloaded before installation.
- Use appropriate tools and follow the installation instructions carefully.

### • Usage Safety:

- Always wear appropriate eye and ear protection while using the firearm.
- Do not exceed the weight limit specified for accessories mounted on the rail.
- Ensure that all accessories are securely fastened before use.

### • Maintenance Safety:

- Regularly check the tightness of screws and the condition of the mount system.
- Clean the mount system according to the manufacturer's instructions to prevent corrosion.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather the necessary tools (e.g., screwdriver) for installation.

#### 2. Mounting the Rail:

- Align the Single Rail (SR) with the designated mounting points on your firearm.
- Secure the mount using the provided steel thumbscrews.
- Ensure that the screws are tightened adequately but do not overtighten to avoid damage.

### **3. Accessory Attachment:**

- Attach your Picatinny or Weaverstyle accessories to the rail.
- Confirm that all accessories are securely fastened.

### **Usage Instructions**

- Before using the mounted accessories, verify that they function correctly.
- Adjust the line of sight as needed for optimal eye relief.
- Practice safe handling of the firearm at all times.

### **Disposal Instructions**

- Dispose of the mount system in accordance with local regulations.
- Do not dispose of the mount system in regular household waste.
- Consider recycling the aluminum material where facilities are available.

### **Contact Information for Further Support**

For questions or support regarding the AR15/M16 Single Rail (SR) Mount System, please refer to your local dealer or consult the manufacturer's website for additional resources.

By following these safety instructions, you can ensure a safe and enjoyable experience with your AR15/M16 Single Rail (SR) Mount System. Thank you for your attention to safety!
