Safety Instruction Guide for TOP MOUNT RINGS 1" HIGH, S/S

Introduction

Thank you for choosing the TOP MOUNT RINGS 1" HIGH, S/S. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that you are using the product as intended and according to the specifications provided.
- Always inspect the product for any signs of damage or wear before use.
- Store the product in a dry, cool place when not in use to prevent corrosion or damage.
- Keep the product out of reach of children and vulnerable individuals to avoid accidents.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Stay informed about any recalls or safety alerts regarding this product through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the TOP MOUNT RINGS only with compatible scopes that meet the specified diameter requirements.
- Ensure that the rings are securely tightened to prevent any movement or slippage during use.
- Avoid overtightening screws, as this may damage the scope or the rings.
- Be cautious when handling metal components to avoid cuts or injuries.
- If you are unsure about the installation process, seek assistance from a qualified professional.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a screwdriver and any additional equipment required for installation.
- Ensure that the scope and rifle are clean and free from debris.

2. Installation Steps:

- Position the rings on the rifle's scope base according to the manufacturer's recommendations.
- Place the scope into the rings, ensuring it is aligned properly.
- Adjust the height as needed based on the scope's objective diameter:
 - Low: For scopes with objective diameters up to 1.75" (44.45mm).
 - Medium: For scopes with objective diameters up to 1.75".
 - High: For objectives above 1.75".
 - Extra High: For scopes with objectives up to 60mm.
- Tighten the screws on the rings gradually and evenly to secure the scope. Do not overtighten.
- Doublecheck the alignment and make any necessary adjustments.

3. Usage:

- Once installed, regularly check the tightness of the rings and the alignment of the scope before each use.
- Avoid using excessive force or pressure on the scope during operation.

Disposal Instructions

- Dispose of the product and its packaging in accordance with local waste disposal regulations.
- If applicable, recycle materials where possible to minimize environmental impact.

Contact Information for Further Support

For any inquiries or additional support regarding the TOP MOUNT RINGS 1" HIGH, S/S, please refer to the contact information provided by the manufacturer. Ensure that you keep this manual for future reference.

Thank you for your attention to these safety instructions. Enjoy your experience with the TOP MOUNT RINGS 1" HIGH, S/S and ensure safe usage at all times.
