

BERETTA 92/96 RECOIL GUIDE ROD - WOLFF BLACK

[Handgun Parts](#) > [Recoil Parts](#) > [Recoil Spring Guide Rods](#)

Superior Support & Smooth Cycling

Full-length, hardened steel guide rod helps prevent spring bind and improves cycling. Replaces the soft, factory, plastic part for smooth, reliable function without galling or binding. Machined from solid steel, polished, then hardened.

BERETTA 92/96 RECOIL GUIDE ROD WOLFF BLACK

Safety Instruction Guide

Introduction

Thank you for choosing the BERETTA 92/96 RECOIL GUIDE ROD WOLFF BLACK. This guide provides important safety information and instructions for the safe use and installation of this product. Please read this manual carefully before use to ensure safe handling and operation.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this manual.
- Always handle firearms and firearm accessories with care, following all safety protocols.
- Keep this product out of reach of children and unauthorized users.
- Regularly check for any signs of wear or damage to the recoil guide rod and replace if necessary.
- Do not modify the product in any way that could compromise its safety or functionality.
- In case of any doubts regarding the safety of this product, consult a qualified gunsmith or firearms expert.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or removing the recoil guide rod.
- Wear appropriate safety gear, including eye protection, when handling firearms.
- Do not attempt to install the recoil guide rod while the firearm is loaded or in a potentially dangerous environment.
- Be aware of your surroundings and ensure that no one is in the vicinity when performing any installation or maintenance tasks.
- If you experience any issues with the recoil guide rod during use, stop using the firearm immediately and seek professional assistance.

Instructions for Installation and Usage

Installation Instructions

1. Ensure the firearm is completely unloaded.
2. Remove the existing factory plastic guide rod from the firearm.
3. Carefully insert the BERETTA 92/96 RECOIL GUIDE ROD WOLFF BLACK into the designated slot.
4. Ensure that the guide rod fits snugly and is properly aligned.
5. Reassemble the firearm according to the manufacturer's instructions.

Usage Instructions

- After installation, test the firearm to ensure proper cycling and function.
- Regularly inspect the recoil guide rod for signs of wear or damage.
- Clean the guide rod periodically to maintain optimal performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations and guidelines for metal waste.
- If the product is damaged or no longer needed, ensure it is disposed of safely to prevent any potential hazards.

Contact Information for Further Support

For further assistance or inquiries regarding the BERETTA 92/96 RECOIL GUIDE ROD WOLFF BLACK, please contact your local authorized dealer or a qualified firearms expert. Always refer to the manufacturer's guidelines for any specific questions or concerns.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your BERETTA 92/96 RECOIL GUIDE ROD WOLFF BLACK. Thank you for your attention to safety.
