# Safety Instruction Guide for GAS TUBE PIN AR15

## Introduction

Thank you for choosing the GAS TUBE PIN AR15. This product is a genuine, MilSpec quality small pin designed for the AR15/M16 firearm. It is essential to follow the safety guidelines and instructions provided in this manual to ensure safe and effective use of the product.

## General Safety Guidelines

- Always handle the GAS TUBE PIN with care to prevent injury or damage.
- Ensure you are familiar with the operation of your AR15/M16 firearm before installation.
- Store the pins in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the pins for wear or damage before use.
- In case of any product-related accidents or unsafe conditions, report them to the appropriate authorities.

## Specific Safety Precautions for Use

- Only use the GAS TUBE PIN AR15 with compatible AR15/M16 models.
- Avoid using excessive force during installation to prevent damage to the firearm or the pin.
- Ensure all firearm components are clean and free from obstructions before installation.
- Wear appropriate safety gear, such as protective eyewear, when handling firearms.
- Keep the work area well-lit and free from distractions while installing the pin.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a punch tool for installation.

### 2. Installation:

- Locate the gas tube area on your AR15/M16.
- Align the GAS TUBE PIN with the designated hole on the gas tube.
- Using the punch tool, gently tap the pin into place until it is secure. Avoid excessive force.

### 3. Post-Installation Check:

- Once installed, check that the pin is flush and properly secured.
- Perform a function check of the firearm to ensure everything operates correctly.

### 4. Usage:

- Regularly inspect the pin during routine maintenance checks for any signs of wear or damage.
- Replace the pin if it shows any signs of degradation.

## Disposal Instructions

- Dispose of any damaged or worn GAS TUBE PINs in accordance with local regulations.
- Do not throw pins in regular household waste. Instead, consider recycling options or designated hazardous waste disposal facilities.

## **Contact Information for Further Support**

For any inquiries or further information regarding the GAS TUBE PIN AR15, please reach out to your local authorized dealer or consult the manufacturer's website.

By following these guidelines and instructions, you can ensure the safe and effective use of the GAS TUBE PIN AR15. Thank you for your attention to safety.
