BOG SCA, Standard Camera Adapter Safety Instruction Guide

Introduction

Thank you for choosing the BOG SCA, Standard Camera Adapter. This guide provides important safety information and instructions to ensure the safe use of the product. Please read this manual carefully before using the adapter to maximize your safety and the product's performance.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a camera adapter.
- Always inspect the adapter for any signs of damage before use. Do not use if damaged.
- Keep the adapter out of reach of children and vulnerable individuals to prevent accidents.
- Ensure that the adapter is securely attached to the BOGPOD® shooting sticks before use.
- Avoid using the adapter in extreme weather conditions that may compromise safety or functionality.
- Follow all local laws and regulations regarding the use of shooting accessories.

Specific Safety Precautions for Use

- Do not exceed the weight limit specified for the BOG SCA adapter and BOGPOD® shooting sticks.
- Always use the top lever release lock to secure the adapter and prevent accidental release.
- When adjusting the SCA head, ensure your fingers are clear of the moving parts to avoid pinching injuries.
- Use caution when changing the attachment stem; ensure it is properly secured before use.
- Be mindful of your surroundings when using the adapter, especially in crowded or confined spaces.

Instructions for Installation and Usage

1. Installation:

- Locate the quickchange stem on the bottom of the BOG SCA adapter.
- Align the stem with the corresponding slot on the BOGPOD® shooting sticks.
- Insert the stem into the slot and twist to secure it in place.
- Ensure the adapter is firmly attached before proceeding.

2. Adjusting the SCA Head:

- Grasp the SCA head with one hand.
- Rotate the head to the desired angle for optimal camera positioning.
- Ensure that the head is locked in place before using the camera.

3. Using the Top Lever Release Lock:

- To release the camera, pull the top lever gently while supporting the camera with your other hand.
- Ensure the camera is stable before fully releasing the lever.

4. Accessory Plate Attachment:

- The accessory plate includes 1/4"20 and 3/8"16 thread bushings.
- Choose the appropriate thread size for your camera mount and securely attach the camera.

5. PostUse Care:

- After use, detach the camera and store the adapter in a safe, dry place.
- Regularly clean the adapter to maintain its functionality and appearance.

Disposal Instructions

- Dispose of the BOG SCA adapter in accordance with local regulations regarding electronic waste.
- Do not dispose of the product in household waste. Instead, use designated recycling facilities when available.
