The Wide Body Shooting Rest comes with a Switcheroo® quick-change stem and is intended to be an alternate or replacement shooting rest for any BOG-POD® shooting stick. It is designed for those who prefer a low-profile shooting rest that's extra wide for additional stability. The Wide Body will provide the very same 360 degree head rotation that your original shooting sticks offered and will fit very snugly into the center hole of the shooting stick's head.

BOG Wide Body Shooting Rest Safety Instruction Guide

Introduction

Thank you for choosing the BOG Wide Body Shooting Rest. This product is designed to enhance your shooting experience by providing a stable and lowprofile support for your shooting stick. To ensure safe and effective use of the Wide Body Shooting Rest, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always inspect the shooting rest before use to ensure it is in good condition.
- Use the shooting rest only for its intended purpose as described in this manual.
- Keep the shooting rest out of reach of children and vulnerable individuals when not in use.
- Report any unsafe conditions or product failures to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- Ensure the shooting rest is securely attached to your BOGPOD shooting stick before use.
- Do not exceed the weight limit specified by the manufacturer for the shooting rest.
- Avoid using the shooting rest in extreme weather conditions that could affect its stability.
- Always maintain a safe distance from others when using the shooting rest to prevent accidents.
- Be mindful of your surroundings and ensure a clear line of sight when using the shooting rest.

Instructions for Installation and Usage

1. Installation:

- Remove the existing head from your BOGPOD shooting stick.
- Align the Switcheroo® quickchange stem of the Wide Body Shooting Rest with the center hole of the shooting stick's head.
- Firmly insert the stem into the hole until it fits snugly.
- Ensure that the Wide Body Shooting Rest is securely attached before proceeding to use.

2. Usage:

- Position the Wide Body Shooting Rest on a stable surface.
- Adjust the height and angle of your shooting stick as needed for comfort and stability.
- Ensure that the shooting rest is level and secure before placing your firearm or equipment on it.
- Utilize the 360degree head rotation feature to achieve the desired shooting angle without moving the entire shooting stick.

Disposal Instructions

- Dispose of the BOG Wide Body Shooting Rest in accordance with local regulations for plastic and metal products.
- Do not dispose of the product in household waste. Check for recycling options in your area.
- If the product is damaged or no longer usable, ensure it is safely stored until disposal.

Contact Information for Further Support

For any questions or concerns regarding the BOG Wide Body Shooting Rest, please consult the manufacturer's website or your point of purchase for assistance. It is important to have a clear line of communication for any safety inquiries.

Thank you for following these safety instructions. Enjoy your shooting experience with the BOG Wide Body Shooting Rest!
