

# Eyes and Ears Belt Clip

[Shooting Accessories](#) > [Ear & Eye Protection](#)

The Caldwell® Eyes and Ears Belt Clip offers shooters a secure, convenient location to store both eye and ear protection when not in use. Ideal for at the range, at the clay stand or in the field, the Eyes and Ears Belt Clip puts an end to the old question of where did those glasses or ear muffs go? Constructed of durable, flexible polymer, the Eyes and Ears Belt Clip will survive years of use. Accepts belts up to 2 1/4" inches wide, and hearing protection with bands up to 2 inches wide.

# Caldwell Eyes and Ears Belt Clip Safety Instruction Guide

## Introduction

Thank you for choosing the Caldwell® Eyes and Ears Belt Clip. This product is designed to provide a secure and convenient location for storing your eye and ear protection while not in use. This guide outlines essential safety information and usage instructions to ensure that you use the product safely and effectively.

## General Safety Guidelines

- Always inspect the Eyes and Ears Belt Clip before each use. Look for any signs of wear or damage.
- Ensure that the clip is securely attached to your belt before storing any items.
- Use the Eyes and Ears Belt Clip only for its intended purpose of holding eye and ear protection.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- If you notice any issues with the product, discontinue use immediately and report it to the appropriate authorities.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Potential risk of losing eye and ear protection if the clip is not properly secured.
- Risk of injury if the clip is damaged or worn.

- **Avoiding Hazards:**

- Always ensure that the clip is properly fastened to your belt.
- Do not overload the clip beyond its capacity.
- Regularly check the condition of the clip and your protective gear.

- **Age Specific Warnings:**

- This product is not intended for use by children under the age of 12 without adult supervision.

## Instructions for Installation and Usage

- **Installation:**

1. Select a belt that is up to 2 1/4 inches wide for proper fit.
2. Slide the Eyes and Ears Belt Clip onto your belt, ensuring it is positioned securely.
3. Adjust the position of the clip as needed for comfort and accessibility.

- **Usage:**

1. When not in use, place your eye protection glasses and ear muffs into the clip.
2. Ensure that both items are secure and will not fall out during movement.
3. When ready to use your eye and ear protection, simply remove them from the clip.

- **Maintenance:**

- Clean the Eyes and Ears Belt Clip with a damp cloth to remove dirt or debris.
- Avoid using harsh chemicals or abrasive materials that could damage the clip.

## **Disposal Instructions**

- Dispose of the Eyes and Ears Belt Clip responsibly.
- If the product is no longer usable, consider recycling it if possible.
- Follow local regulations for the disposal of plastic materials.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the Caldwell® Eyes and Ears Belt Clip, please refer to the contact information provided on the packaging or visit the manufacturer's website.

Thank you for following these safety instructions. Your safety is our priority, and we hope you enjoy using the Caldwell® Eyes and Ears Belt Clip.
