Safety Instruction Guide for Tipton Patches 1722 Caliber Rimfire

Introduction

Thank you for choosing Tipton Patches 1722 Caliber Rimfire. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of our product. Please read this document carefully before use.

General Safety Guidelines

- Ensure safe handling and use of the patches.
- Always supervise children when using this product.
- Follow all safety instructions and warnings provided in this guide.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Awareness:**
 - The patches are designed for use with firearms. Handle all firearms with care and always treat them as if they are loaded.
 - Avoid using the patches in environments where there is a risk of fire or explosion.
- **Age Restrictions:**
 - This product is not intended for use by children under the age of 18 without adult supervision.
- **Health Precautions:**
 - If you experience any allergic reactions to cotton or flannel, discontinue use immediately.
- **Storage:**
 - Keep patches in a cool, dry place away from direct sunlight and moisture to prevent deterioration.

Instructions for Installation and Usage

- **Preparation:**
 - Ensure that your firearm is unloaded and pointed in a safe direction before beginning any cleaning procedure.
- **Using the Patches:**
 - Select the appropriate patch size based on your firearm's caliber. For 1722 caliber firearms, use the .75" square patches.
 - When using with Tipton® Jags, ensure the patch is properly seated for effective cleaning.
 - If using a slotted tip, choose the next size larger patch for optimal performance.
- **Cleaning Process:**
 - Insert the jag into the cleaning rod and attach a patch.
 - Moisten the patch with the appropriate cleaning solution, if necessary.
 - Insert the jag with the patch into the bore of the firearm and pull through to clean.
 - Repeat as necessary until the bore is clean.

Disposal Instructions

- Dispose of used patches in accordance with local regulations.
- Do not dispose of patches in open flames or in a manner that could pose a fire hazard.

Contact Information for Further Support

For any inquiries regarding the safety of this product or to report an unsafe condition, please contact the appropriate authorities or your local consumer safety agency.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure a safer experience while using Tipton Patches 1722 Caliber Rimfire.
