# Caldwell Lead Sled FCX Safety Instruction Guide

## Introduction

Thank you for choosing the Caldwell Lead Sled FCX. This innovative shooting platform combines advanced rest technologies to enhance your shooting experience. To ensure your safety and the optimal performance of this product, please carefully read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always follow the manufacturer's instructions for safe use.
- Ensure that the shooting area is clear of obstructions and bystanders.
- Use the Lead Sled FCX only for its intended purpose as a shooting rest.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the Lead Sled FCX for any signs of wear or damage before use.
- Report any unsafe conditions or product malfunctions to the appropriate authorities.

## Specific Safety Precautions for Use

- **Recoil Management:** The Lead Sled FCX is designed to reduce recoil. Always ensure that it is securely positioned before firing.
- **Fire Control Mechanism:** Familiarize yourself with the Fire Control mechanism. Ensure it is functioning properly before each use.
- **Weight Management:** Use only the recommended weights as specified in the product manual. Do not exceed the maximum weight limit.
- **Shooting Position:** Maintain a stable shooting position while using the rest to prevent accidents.
- **Environmental Awareness:** Be aware of your surroundings and ensure that the shooting range is safe and compliant with local regulations.

## Instructions for Installation and Usage

### 1. Setting Up the Lead Sled FCX:

- Place the Lead Sled FCX on a flat and stable surface.
- Adjust the height as necessary to ensure a comfortable shooting position.
- Ensure that the rest is securely locked in place before proceeding.

### 2. Attaching the Fire Control Mechanism:

- Follow the manufacturer's instructions for attaching the Fire Control mechanism.
- Ensure that all components are tightly secured and functioning properly.

### 3. Loading Weights:

- Carefully load the recommended weights into the designated compartments.
- Ensure that the weights are evenly distributed for stability.

### 4. Positioning Your Firearm:

- Place your firearm securely in the designated area of the Lead Sled FCX.
- Adjust the rest to ensure proper alignment with your shooting target.

### 5. Firing Your Weapon:

- Ensure the area is clear and safe before firing.

- Maintain a firm grip on your firearm and use the Lead Sled FCX to absorb recoil.

#### **6. PostUse Care:**

- After use, remove any weights and clean the Lead Sled FCX as per the manufacturer's instructions.
- Store the product in a safe and dry location away from children.

## **Disposal Instructions**

- Dispose of the Lead Sled FCX in accordance with local regulations.
- Do not dispose of the product in household waste. Check for recycling options or designated disposal sites for shooting accessories.

## **Contact Information for Further Support**

For any inquiries regarding safety or product information, please refer to the manufacturer's contact details provided with your product packaging. It is essential to have access to support for any safety concerns or questions you may have regarding the Lead Sled FCX.

Thank you for prioritizing safety while using the Caldwell Lead Sled FCX. Your adherence to these guidelines will help ensure a safe and enjoyable shooting experience.
