

Bipod MK3, Versa-pod mount

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipods](#)

The 3. generation

The extraordinary bipod in its 3rd Version with versa-pod mount from RPS is a trustworthy companion for every shooter out there.

The RPS MK III bipod is a bipod of the same type as the original TRG-bipods, which are designed for the lowest center of gravity.

The bipod is made out of steel so it can support even heavy rifles and high calibers.

Quick assembly thanks to Versa-pod mount.

RPS Bipod MK3 Safety Instruction Guide

Introduction

Thank you for choosing the RPS Bipod MK3 with Versapod mount. This bipod is designed to provide stability and support for your rifle, ensuring a better shooting experience. This safety instruction guide is intended to help you use the product safely and effectively. Please read this guide thoroughly before using the bipod.

General Safety Guidelines

- Always ensure the bipod is properly attached to your rifle before use.
- Inspect the bipod for any damage or wear before each use. Do not use if damaged.
- Keep the bipod and all accessories out of reach of children.
- Use the bipod only for its intended purpose; do not modify or alter it.
- Always follow local laws and regulations regarding firearms and shooting equipment.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure the bipod is placed on a stable surface to prevent tipping.
- Avoid using the bipod in wet or slippery conditions to maintain stability.
- Do not exceed the weight limit of the bipod; check manufacturer specifications.
- Be aware of your surroundings and ensure no one is in the line of fire when using the bipod.
- Always handle firearms with care and follow standard firearm safety practices.

Instructions for Installation and Usage

1. Installation:

- Ensure the bipod is in the closed position before installation.
- Attach the Versapod mount to the rifle according to the manufacturer's instructions.
- Securely fasten all screws and connections to ensure stability.
- Open the bipod legs and adjust them to the desired height.

2. Usage:

- Position the bipod on a flat, stable surface.
- Adjust the legs to achieve the desired angle for shooting.
- Ensure the rifle is securely seated in the bipod before taking aim.
- After use, retract the bipod legs and store it in a safe place.

Disposal Instructions

- Dispose of the bipod and any packaging materials in accordance with local waste disposal regulations.
- Do not dispose of the bipod in fire or extreme heat, as this may cause hazardous materials to be released.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the RPS Bipod MK3, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the RPS Bipod MK3!
