VORTEX OPTICS Razor Gen II 318x50 EBR7C MRAD

Safety Instruction Guide

Introduction

Thank you for choosing the VORTEX OPTICS Razor Gen II 318x50 EBR7C MRAD. This guide provides essential safety information to ensure the safe use and maintenance of your product. Please read this guide carefully before using the scope.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle the scope with care to avoid damage.
- Keep the scope out of reach of children and vulnerable individuals.
- Regularly inspect the scope for any signs of damage or wear.
- In case of any malfunction or damage, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- **Eye Protection:** Always wear appropriate eye protection when using the scope, especially during shooting activities.
- **Mounting:** Ensure that the scope is securely mounted on the rifle according to the manufacturer's instructions to prevent accidents.
- **Zeroing:** Follow proper procedures for zeroing the scope to ensure accuracy and safety during use.
- **Environmental Conditions:** Avoid using the scope in extreme weather conditions that may affect visibility or performance.
- **Handling Ammunition:** Always follow safe handling practices for ammunition when using the scope.

Instructions for Installation and Usage

Installation

1. **Choose a Suitable Mount:** Select a mounting system that is compatible with the 34mm maintube of the scope.
2. **Secure Mounting:** Attach the scope to the rifle using the appropriate mounts and hardware. Ensure that all screws are tightened to the manufacturer's specifications.
3. **Level the Scope:** Use a leveling tool to ensure the scope is perfectly aligned with the rifle for accurate shooting.

Usage

- **Adjusting Magnification:** Use the magnification ring to adjust the zoom level from 3x to 18x.
- **Elevation and Windage Adjustments:** Use the locking turrets to make elevation (28.5 MIL/71 MOA) and windage (10 MIL/34 MOA) adjustments. Ensure adjustments are made carefully to maintain accuracy.
- **Using the Reticle:** The first focal plane reticle allows for accurate holdover at any magnification. Familiarize yourself with the reticle markings for optimal use.
- **Micro Adjust Zero Setting:** Utilize the micro adjust zero setting to finetune your zeroing process.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and firearms accessories.
- Do not dispose of the product in regular household waste.

- Contact local waste management authorities for information on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the VORTEX OPTICS Razor Gen II 318x50 EBR7C MRAD, please refer to the manufacturer's website or contact their customer service for assistance.

Thank you for prioritizing safety while enjoying your new VORTEX OPTICS Razor Gen II scope.
