

Viper PST Gen II 2-10x32 FFP EBR-4 MRAD

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The Vortex Optics 2-10x32mm Viper PST Gen II riflescope includes features you would expect to find on high-end scopes, but without the top-tier price tag. Sporting fully multi-coated, extra-low dispersion (XD) lenses, the Vortex Optics 2-10x32mm Viper PST Gen II riflescope delivers sharp images with high resolution and color fidelity. The illuminated, first focal plane EBR-2C MRAD reticle comes with detailed and intuitive holdover points on the glass-etched reticle.

Outfitted with exposed laser-etched turrets, the Vortex Optics 2-10x32mm Viper PST Gen II riflescope offers easy to read elevation and windage adjustment graduations. The patented RZR Zero stop ensures accurate returns to sight in zero after dialing temporary elevation correction. A fiber optic turret rotation indicator allows you to keep track of turns and your turret position with ease.

The Vortex Optics 2-10x32mm Viper PST Gen II riflescope has a precision-machined, 30mm aluminum tube that has been argon gas filled and O-ring sealed for water and fogproof performance.

Vortex Optics Viper PST Gen II 210x32 FFP EBR4 Safety Instruction Guide

Introduction

Thank you for choosing the Vortex Optics Viper PST Gen II 210x32 FFP EBR4 riflescope. This guide is designed to provide essential safety information and instructions for the proper use and maintenance of your riflescope in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully to ensure safe and effective usage.

General Safety Guidelines

- **Product Safety:** Always ensure that the product is used according to the manufacturer's instructions to prevent accidents and injuries.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. You can find updates on the EU Safety Gate platform.
- **Online Shopping:** If purchased online, ensure that the seller complies with EU safety standards.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, consult the relevant EU-based contact as provided by the retailer.
- **Rapid Alerts:** Be aware of the Safety Gate system for timely updates on unsafe products.

Specific Safety Precautions for Use

- **Handling:** Always handle the riflescope with care. Avoid dropping or subjecting it to impact.
- **Moisture:** Keep the riflescope dry. Although it is fogproof and waterresistant, exposure to excessive moisture can damage the internal components.
- **Cleaning:** Use a soft, lintfree cloth to clean the lenses. Avoid using harsh chemicals or abrasive materials that may scratch the lenses.
- **Mounting:** Ensure the riflescope is securely mounted to prevent it from loosening during use.
- **Eyewear:** If you wear glasses, ensure proper eye relief to avoid injury.
- **Sighting In:** Always ensure the area is safe and clear of people and animals before sighting in your riflescope.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure you have the necessary tools for mounting the riflescope.
 2. Attach the riflescope to the rifle using the appropriate rings and bases.
 3. Tighten the mounting screws securely, but do not overtighten, as this may damage the scope or mounts.
 4. Ensure that the riflescope is level and aligned with the rifle barrel.
- **Usage:**
 1. Adjust the eyepiece for proper focus before using the riflescope.
 2. Set the magnification to your desired level, ranging from 2x to 10x.
 3. Use the elevation and windage turrets to make adjustments as needed. Each click corresponds to 1/10 MRAD.
 4. Use the illuminated reticle in lowlight conditions to enhance visibility.
 5. Always ensure that you are in a safe shooting position and that the area is clear before firing.

Disposal Instructions

- Dispose of the riflescope responsibly at a designated electronic waste recycling facility.
- Do not dispose of the product in regular household waste.
- Remove the battery (CR2032) before disposal and follow local regulations for battery disposal.

Contact Information for Further Support

For additional support or inquiries regarding the Vortex Optics Viper PST Gen II 210x32 FFP EBR4 riflescope, please refer to the contact information provided by your retailer or the manufacturer's website.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your Vortex Optics riflescope. Thank you for your attention to safety.
