VORTEX OPTICS Crossfire II 312x56 Hog Hunter Illuminated Safety Instruction Guide

Introduction

Thank you for choosing the VORTEX OPTICS Crossfire II 312x56 Hog Hunter Illuminated riflescope. This guide provides important safety information, usage instructions, and disposal guidelines to ensure the safe and effective use of your product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle the riflescope with care to prevent damage.
- Keep the product out of reach of children and vulnerable individuals.
- Avoid using the riflescope in extreme weather conditions which may affect its performance.
- Regularly inspect the riflescope for any signs of damage or wear.
- If the product shows any signs of malfunction, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- **Eye Protection:** Always wear appropriate eye protection when using the riflescope to prevent injury from recoil or debris.
- **Mounting:** Ensure that the riflescope is securely mounted to the firearm according to the manufacturer's instructions.
- **Adjustment:** Make adjustments to the turrets and reticle only when the firearm is pointed in a safe direction.
- **Battery Safety:** Use only the specified battery type (CR2032) and replace it as needed. Dispose of batteries properly according to local regulations.
- **Illumination Precautions:** The illuminated reticle can be bright; avoid looking directly into the lens when the illumination is activated.

Instructions for Installation and Usage

Installation

1. **Select a Mounting Location:** Choose a suitable mounting location on your firearm that allows for proper eye alignment.
2. **Secure the Mount:** Use the appropriate tools to securely attach the riflescope to the mounting base.
3. **Check Alignment:** Ensure that the riflescope is level and aligned with the firearm's barrel.

Usage

1. **Adjusting the Eyepiece:** Adjust the eyepiece for a clear sight picture. Rotate the eyepiece until the reticle is sharp.
2. **Setting Magnification:** Rotate the magnification ring to select your desired level of magnification (3x to 12x).
3. **Focusing the Reticle:** Use the fastfocus eyepiece to ensure the reticle is clear and easy to see.
4. **Using the Turrets:** Adjust the elevation and windage turrets in 1/4 MOA increments for precise targeting.

Disposal Instructions

- Dispose of the riflescope in accordance with local regulations regarding electronic waste.
- Remove the battery before disposal and recycle it according to local battery recycling programs.

- Do not dispose of the product in household waste.

Contact Information for Further Support

For any safety inquiries or product support, please refer to the manufacturer's contact information provided in the product packaging or on the official website.

Thank you for taking the time to read this safety instruction guide. By following these guidelines, you can ensure a safe and enjoyable experience with your VORTEX OPTICS Crossfire II 312x56 Hog Hunter Illuminated riflescope.
