Introduction

Thank you for choosing the VORTEX OPTICS Precision Extended Cantilever 34mm. This product is designed to provide a secure and effective mounting solution for your riflescope. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Regularly inspect the mounting system for signs of wear or damage.
- Ensure that the product is suitable for the specific scope and firearm combination.
- Store the product in a dry, cool place when not in use.
- Keep the product out of reach of children and vulnerable individuals.

Specific Safety Precautions for Use

- Ensure the cantilever mount is securely attached to the firearm before use.
- Do not exceed the recommended weight limit for the mount.
- Avoid using the product in extreme weather conditions that could affect its performance.
- Use appropriate tools for installation to prevent damage to the product.
- If you notice any unusual movement or instability while using the product, discontinue use immediately and inspect for issues.

Instructions for Installation and Usage

1. Installation

- Ensure that you have all necessary tools before starting the installation.
- Follow these steps for proper installation:
 - Clean the mounting area on the firearm to remove any debris.
 - Align the cantilever mount with the mounting holes on the firearm.
 - Secure the mount using the provided screws, ensuring they are tightened to the manufacturer's specifications.
 - Check that the mount is level and does not wobble or shift.

2. Usage

- Adjust the scope to the appropriate eye relief by sliding it forward or backward in the mount.
- Once adjusted, secure the scope in place according to the manufacturer's instructions.
- Before firing, ensure that the rifle is pointed in a safe direction and that the scope is properly aligned.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and metal products.
- Do not dispose of the product in regular household waste.
