VORTEX OPTICS Viper Sunshade Safety Instructions

Introduction

Thank you for choosing the VORTEX OPTICS Viper Sunshade. This product is designed to reduce glare and sun reflections off the objective lens of your 44mm Viper riflescope. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read and follow these safety instructions carefully.

General Safety Guidelines

- Always ensure that the sunshade is securely attached to the riflescope before use.
- Inspect the sunshade regularly for any signs of wear or damage.
- Keep the sunshade out of reach of children to prevent potential hazards.
- Do not use the sunshade if it shows any signs of damage or if it does not fit properly.
- Report any unsafe products or incidents to local authorities.

Specific Safety Precautions for Use

- Do not expose the sunshade to extreme temperatures, as this may compromise its integrity.
- Avoid using the sunshade in wet conditions, as moisture can affect visibility and performance.
- Ensure that the sunshade does not obstruct your view or interfere with the operation of the riflescope.
- Use the sunshade only for its intended purpose; do not modify or attempt to repair it.
- If you experience any difficulties while using the sunshade, discontinue use and consult a professional.

Instructions for Installation and Usage

1. Installation:

- Ensure the riflescope is securely mounted on your firearm.
- Locate the threaded end of the sunshade.
- Align the sunshade with the objective lens of the riflescope.
- Gently screw the sunshade into place until it is snug but not overly tight.

2. Usage:

- Once installed, check that the sunshade is secure.
- Use the riflescope as normal, observing how the sunshade reduces glare and reflections.
- If the sunshade becomes loose during use, stop and retighten it before continuing.

Disposal Instructions

- Dispose of the sunshade responsibly in accordance with local regulations.
- Do not dispose of the sunshade in household waste if it is damaged or broken. Instead, contact local waste management for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the VORTEX OPTICS Viper Sunshade, please reach out to your local VORTEX OPTICS distributor or visit the official VORTEX OPTICS website for further assistance.

Thank you for prioritizing safety while using the VORTEX OPTICS Viper Sunshade. Your careful attention to these guidelines helps ensure a safe and enjoyable experience.
