Vortex Optics Viper Sunshade Safety Instruction Guide

Introduction

Thank you for choosing the Vortex Optics Viper Sunshade for your 44mm Viper riflescope. This guide provides essential safety instructions to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the sunshade is compatible with your Viper 44mm riflescope before installation.
- Inspect the sunshade for any visible damage or defects before use. Do not use if damaged.
- Keep the sunshade out of reach of children to prevent accidents or misuse.
- Use the sunshade only as intended. It is designed to reduce glare and reflections; do not use it for any other purpose.
- Do not attempt to modify or alter the sunshade in any way.

Specific Safety Precautions for Use

- When using the sunshade, ensure that it is securely attached to the riflescope to prevent it from detaching during use.
- Avoid touching the objective lens with your fingers or any objects to prevent smudges or scratches.
- Be aware of your surroundings while using the riflescope with the sunshade attached, especially in outdoor environments.
- If you experience any issues while using the sunshade, discontinue use immediately and consult the manufacturer for assistance.

Instructions for Installation and Usage

1. Installation of the Sunshade:

- Locate the objective lens of your Viper 44mm riflescope.
- Carefully align the screw assembly of the sunshade with the threads on the objective lens.
- Gently screw the sunshade onto the objective lens until it is securely fastened. Do not overtighten, as this may cause damage.

2. Usage of the Sunshade:

- Once installed, the sunshade can be adjusted as needed to minimize glare and reflections.
- Ensure that the sunshade does not obstruct your view through the riflescope.
- Regularly check that the sunshade remains securely attached during use.

Disposal Instructions

- Dispose of the sunshade in accordance with local regulations. Do not dispose of it in regular household waste.
- If the sunshade is damaged or no longer in use, consider recycling it if possible.

Contact Information for Further Support

For safety inquiries or further assistance regarding the Vortex Optics Viper Sunshade, please refer to the

manufacturer's customer service. Ensure to have your product details ready for a prompt response.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Vortex Optics Viper Sunshade. Thank you for your attention to safety.
