VORTEX OPTICS Sure Fit Riflescope Cover Safety Instructions

Introduction

Thank you for choosing the VORTEX OPTICS Sure Fit Riflescope Cover. This cover is designed to protect your riflescope from the elements, ensuring its longevity and optimal performance. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure the cover is compatible with your specific riflescope model.
- Inspect the cover regularly for any signs of wear or damage.
- Do not use the cover in extreme weather conditions that exceed its specifications.
- Keep the cover out of reach of children to prevent accidental suffocation or entanglement.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Avoid using the cover with damaged or malfunctioning scopes.
- Do not expose the cover to sharp objects that may cause punctures or tears.
- Ensure the cover is dry before storing it to prevent mold and mildew growth.
- Do not use the cover as a flotation device or in any manner not intended by the manufacturer.
- If you notice any unusual odors or discoloration, discontinue use immediately.

Instructions for Installation and Usage

1. Preparation:

- Ensure your riflescope is clean and dry before applying the cover.
- Remove any accessories that may obstruct the fit of the cover.

2. Installation:

- Gently stretch the cover over the riflescope, starting from one end and working towards the other.
- Ensure that the cover fits snugly without being overly tight.
- Check that the cover does not obstruct any lenses or adjustment knobs.

3. Usage:

- Use the cover whenever the riflescope is not in use, especially during transport.
- Regularly check the fit of the cover to ensure it remains secure.

4. Removal:

- To remove the cover, gently peel it off from one end while ensuring not to pull or tug excessively.
- Store the cover in a cool, dry place when not in use.

Disposal Instructions

- Dispose of the cover in accordance with local regulations regarding plastic waste.
- Do not incinerate the cover as it may release harmful substances.
- If the cover is damaged beyond use, consider recycling if facilities are available.
