VORTEX OPTICS Sure Fit Riflescope Cover Safety Instructions

Introduction

Thank you for choosing the VORTEX OPTICS Sure Fit Riflescope Cover. This product is designed to protect your riflescope from the elements, ensuring its longevity and optimal performance. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the cover is suitable for your specific riflescope model before use.
- Regularly inspect the cover for signs of wear and tear, and replace if damaged.
- Keep the cover away from open flames or high temperatures.
- Store the cover in a cool, dry place when not in use.
- Always follow the installation and usage instructions provided in this guide.

Specific Safety Precautions for Use

- Do not use the cover if it is wet or has been exposed to moisture for an extended period.
- Avoid using the cover in extreme weather conditions without checking its integrity.
- Ensure that the cover is properly fitted to avoid any obstruction of the riflescope's functionality.
- Keep the cover out of reach of children to prevent accidental suffocation or entanglement.

Instructions for Installation and Usage

1. Installation

- Unpack the VORTEX OPTICS Sure Fit Riflescope Cover from its packaging.
- Identify the correct size of the cover (XLarge) for your riflescope.
- Gently stretch the cover over the riflescope, ensuring it fits snugly without excessive force.
- Ensure that all lenses and adjustments are accessible and not obstructed by the cover.

2. Usage

- Use the cover when transporting your riflescope to protect it from dirt, dust, and debris.
- Remove the cover before using the riflescope to ensure optimal performance.
- Clean the cover periodically with a damp cloth to maintain its condition.

Disposal Instructions

- Dispose of the VORTEX OPTICS Sure Fit Riflescope Cover responsibly.
- Check local regulations for proper disposal methods for plastic materials.
- Do not dispose of the cover in regular household waste if it is damaged and poses a potential hazard.
