

Razor AMG UH-1 Holographic Sight

[Optics & Mounting](#) > [Electronic Sights](#) > [Holographic Sights](#)

The Vortex Razor AMG UH-1 holographic sight melds the durability and energy efficiency of a red dot with the impressive sight picture, zero-distortion and reticle pattern of a holographic sight. With its large, rectangular sight picture, the Vortex Razor AMG UH-1 allows the user to maintain situational awareness, while making target acquisition and follow up shots quicker.

Vortex uses FHQ Technology to block light from escaping the AMG UH-1 and prevent eyepiece glare for the best performance in low-light conditions. The shatterproof XR Plus windows are fully multi-coated to promote optimum light transmission and Armor-Tek coated for scratch resistance.

The Vortex Razor AMG UH-1 holographic sight uses a shockproof aluminum base to protect all sensitive, internal components, while eliminating the need for an obstructive secondary shroud. An integrated quick release mount makes it easy to install the on Vortex Razor AMG UH-1 holographic sight various Weaver and Picatinny style bases.

VORTEX OPTICS Razor AMG UH1 Holographic Sight Safety Instruction Guide

Introduction

Thank you for choosing the Vortex Razor AMG UH1 Holographic Sight. This guide provides important safety information to ensure the safe use of your product. Please read this guide thoroughly before using the sight.

General Safety Guidelines

- **Product Safety:** This product is designed for safe use, but it is essential to follow all safety instructions to minimize risks.
- **Enhanced Recalls:** Stay informed about product recalls. If a recall occurs, follow the instructions provided for a remedy.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements as you would expect in physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, ensure you have access to an EU-based contact point.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety.

Specific Safety Precautions for Use

- **Avoid Eye Exposure:** Do not look directly into the sight while it is powered on, as the brightness settings can cause discomfort or eye strain.
- **Check Mounting:** Ensure the sight is securely mounted on the firearm to avoid accidents during use.
- **Use in Safe Environment:** Always use the holographic sight in a controlled environment and follow all local laws regarding the use of firearms.
- **Regular Maintenance:** Inspect the sight regularly for any signs of damage or wear. Do not use if damaged.
- **Proper Handling:** Handle the sight with care to avoid dropping or subjecting it to impact, which could cause internal damage.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before installation.
- Align the Vortex Razor AMG UH1 with the Picatinny rail on your firearm.
- Securely attach the sight using the integrated quick release mount.
- Confirm that the sight is firmly in place and does not wobble.

2. Usage:

- Power on the sight using the designated button.
- Adjust the brightness settings to your preference, utilizing the 15 available settings.
- Ensure unlimited eye relief by positioning your head in a comfortable shooting position.
- Verify that the sight is parallax-free by aiming at a target and adjusting your position without losing sight alignment.

3. Battery Replacement:

- When the battery is low, replace it with a new LFP123A rechargeable battery.

- Ensure the micro USB port is accessible for charging if applicable.

Disposal Instructions

- **Battery Disposal:** Dispose of the lithium battery according to local regulations for hazardous waste.
- **Product Disposal:** When the sight reaches the end of its life, dispose of it in accordance with local electronic waste disposal regulations. Do not dispose of in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the Vortex Razor AMG UH1 Holographic Sight, please refer to the manufacturer's website or customer service for assistance.

By following these safety instructions, you can enjoy the full benefits of your Vortex Razor AMG UH1 Holographic Sight while ensuring your safety and compliance with EU regulations.
