

StrikeFire II - VORTEX OPTICS VORTEX OPTICS StrikeFire II 4 MOA Red Dot

[Optics & Mounting](#) > [Electronic Sights](#) > [Red Dot Sights](#)

Strike fast!

When situations demand split-second target acquisition and maximum field of view, mount up the StrikeFire II and shoot - both eyes open. Feature-rich, versatile and reliable, the StrikeFire II is a great choice for hunters who want a quality red dot sight, but don't want to break the bank. Sleek rear-facing controls allow for easy adjustment of ten dot intensity levels—lowest two settings are night-vision compatible. The 30mm aluminum alloy chassis provides extra-high recoil rating and is waterproof and fogproof.

VORTEX OPTICS StrikeFire II Safety Instruction Guide

Introduction

Thank you for choosing the VORTEX OPTICS StrikeFire II. This red dot sight is designed for fast target acquisition and reliable performance. To ensure your safety and the optimal use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- **Product Safety:** Always ensure the safe use of the StrikeFire II. This product is designed to meet safety standards and provide reliable performance.
- **Enhanced Recalls:** Stay informed about any product recalls. If you receive a recall notice, follow the instructions provided to ensure your safety.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** This product is not intended for children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, refer to the manufacturer's contact information provided with the product.
- **Rapid Alerts:** Check the EU's Safety Gate platform for updates on unsafe products.

Specific Safety Precautions for Use

- **Eye Protection:** Always wear appropriate eye protection when using the red dot sight.
- **Check for Damage:** Before use, inspect the sight for any damage. Do not use if there are signs of wear or malfunction.
- **Avoid Direct Sunlight:** Do not aim the sight directly at the sun or other bright light sources. This can damage the sight and impair your vision.
- **Secure Mounting:** Ensure the sight is securely mounted to avoid accidents during use.
- **Keep Clean:** Regularly clean the lens with a soft, dry cloth to maintain clarity. Avoid using harsh chemicals that may damage the coating.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Mount the StrikeFire II on the firearm using the provided mounting hardware.
- Tighten the mounting screws securely but do not overtighten, as this may damage the sight or firearm.

2. Powering On:

- Insert a CR2 battery into the battery compartment, ensuring correct polarity.
- Press the power button to turn on the sight.

3. Adjusting Dot Intensity:

- Use the rearfacing controls to adjust the dot intensity to your preference.
- The lowest two settings are compatible with night vision devices.

4. Using the Sight:

- Aim with both eyes open for maximum field of view.
- Align the red dot with your target for accurate shooting.

5. **Turning Off:**

- Press the power button to turn off the sight after use to conserve battery life.

Disposal Instructions

- **Battery Disposal:** Dispose of batteries according to local regulations. Do not throw batteries in regular trash.
- **Product Disposal:** When the product reaches the end of its life, dispose of it in accordance with local waste management regulations. Do not dispose of it in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the use of the VORTEX OPTICS StrikeFire II, please refer to the contact information provided with your product packaging or visit the official VORTEX OPTICS website for support resources.

Thank you for prioritizing safety and performance with your VORTEX OPTICS StrikeFire II. Enjoy your shooting experience responsibly!
