

Viper HD - VORTEX OPTICS Viper 10x50 HD

[Optics & Mounting](#) > [Binoculars & Accessories](#) > [Binoculars](#)

Viper HD binoculars are an optical masterpiece, giving hunters, shooters and outdoor enthusiasts a premium option without the premium price tag. The HD optical system delivers stunning resolution, color fidelity and edge-to-edge clarity. These are one of the lightest, most compact, full-size binos on the market - a noteworthy attribute when gear consideration can be measured in grams. Includes GlassPak chest harness, keeping your binos at the ready while providing comfortable, protected, strain-free, all-day carry.

VORTEX OPTICS Viper HD Binoculars Safety Instruction Guide

Introduction

Thank you for choosing the VORTEX OPTICS Viper HD 10x50 binoculars. These binoculars are designed for hunters, shooters, and outdoor enthusiasts seeking high-quality optical performance. To ensure safe and effective use of your binoculars, please read this safety instruction guide carefully.

General Safety Guidelines

- Always ensure that the binoculars are used in accordance with the manufacturer's instructions.
- Keep binoculars out of reach of children and vulnerable individuals to prevent accidents.
- Regularly inspect the binoculars for any signs of damage or wear.
- Avoid exposing binoculars to extreme temperatures or moisture to maintain optimal performance.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Avoid Direct Sunlight:** Do not point the binoculars directly at the sun, as this can cause serious eye damage.
- **Use with Care:** When using binoculars, maintain a firm grip to prevent dropping them.
- **Eye Protection:** If you wear glasses, ensure that the eyecups are in the correct position for comfortable viewing.
- **Avoid Strain:** Use the GlassPak chest harness provided to avoid strain during prolonged use.
- **Limit Exposure:** Prolonged use of binoculars may cause discomfort; take regular breaks to rest your eyes.

Instructions for Installation and Usage

1. Fitting the GlassPak Chest Harness:

- Place the harness over your shoulders and adjust the straps for a snug fit.
- Attach the binoculars to the harness using the clips provided.

2. Adjusting the Binoculars:

- Adjust the interpupillary distance by holding the binoculars and moving the two barrels closer together or further apart until you see a single circular field of view.
- Adjust the focus by rotating the central focus wheel until the image is clear.

3. Using the Binoculars:

- Hold the binoculars with both hands for stability.
- Look through the eyepieces and adjust the focus as necessary for clarity.
- Use the binoculars at a comfortable distance from your eyes to avoid strain.

4. Cleaning the Binoculars:

- Use a soft, dry cloth to clean the lenses.
- Avoid using harsh chemicals or abrasive materials that could damage the optics.

Disposal Instructions

- Dispose of the binoculars in accordance with local regulations regarding electronic waste.
- Do not dispose of the binoculars in household waste.
- Check for recycling options in your area to ensure environmentally friendly disposal.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of your VORTEX OPTICS Viper HD binoculars, please refer to the manufacturer's contact points available in your product documentation.

Thank you for taking the time to read this safety instruction guide. Your safety and satisfaction are our top priorities. Enjoy your VORTEX OPTICS Viper HD binoculars!
